TO ORGANIZE CUB PACKS

In accordance with the recent decision of the executive board of the North Shore Area Council, a field executive will be placed on the headquarters staff on January 1st to handle the Cub program and the Sea Scout program exclusively. The council is therefore ready to register Cub Packs in institutions where the proper steps have been taken. Several groups have been operating with the regulations establishing these units and have been holding meetings. These groups will probably be registered within the next two weeks.

Among the requirements for registering a Cub Pack are these, first, a leader and a committee entirely new and separate from a Boy Scout troop organized at present in the institution. Second, the willingness of one or more Cub leaders to take the Cubmasters training course starting immediately after the first of the year. Third, the agreement on the part of the Cub Pack committee and the Cubmaster to carry out the program in accordance with the plans developed by the national organization.

This program is for 9, 10 and 11 year old boys and has a program entirely separate and distinct from that of scouting as well as a uniform entirely different from that of the Boy Scout uniform. These boys are Cubs and are not "Cub Scouts" or "Junior Scouts" either in name or in any other sense.

TROOP 52 FATHERS AND SONS BANQUET

The Troop 52 Fathers and Sons banquet was held in the hall of the Presbyterian church at seven o'clock Friday evening, Oct. 17.

The feast was prepared by the mothers of a goodly number of the scouts. The meal consisted of potatoes, steak, slaw, cocoa or coffee, and pie.

After the meal Mr. Derby, the chairman, introduced the first speaker, Mr. McNus, cashier of the Deerfield State bank. He gave the scouts a very inspiring talk on Boys and Their Different Parts of the Scout Law.

The second speaker of the evening was Mr. Myron C. Rybolt, executive of the North Shore Area council, who spoke of the work and growth of the council for the last four years. He then told us of the plans for the next four years, explaining briefly the new Cub and Sea Scout movements and the new nearby camp they are planning to build.

The next speaker of the evening was then introduced. Mr. J. Woodman, editor of one of Waukegan's Daily, who spoke of his entering the newspaper business and some of the work he does as editor and also talked on things of importance in scout work.

The Scout Drum and Bugle corp offered several selections throughout the evening, and Mr. Andrews sang a solo accompanied by Rev. Andrews

at the piano. Mr. Andrews and Mr. Todd also sang a duet.

The Merit badges were given out by Mr. Alexander Taylor, president of the Deerfield Chamber of Commerce. Edgley Todd, Milton Merner, scoutmaster, Russell and Kenneth Vetter received them.

After the meal a flashlight picture was taken of the group. The meeting was closed with the scout benediction.—Kenneth Vetter, troop 52, Deerfield.

TROOP 45 HAS PARENTS' NIGHT

Troop 45 of Lake Forest Episcopal church, held its annual Parents night last Friday night, Oct. 17. Due to the small amount of publicity it was not so well attended as in years past. Quite a few parents attended, however. The meeting opened with the bugle sounding assembly. This was followed by colors and the patrol leaders reports. The troop was dismissed to fall in again at the council fire in the middle of the room which the genius Mr. Atteridge constructed with the use of electric lights. The chairs were arranged in a circle and the scouts took their places. Then came the stunts. The first was a radio stunt, put on by various boys who went to camp. Three boys from the Bat patrol put on a fire by friction demonstration, which became contagious and ended up in a contest. This lasted until the spindles broke. There were no winners because no one got a fire for his troubles. The stunts over, we had a court of honor, the boys receiving merit badges. There also was to be an Eagle award but that was postponed until Sunday. We then formed a circle and sang taps, then repeating the scout benediction, and was dismissed.—Allan Hokenson, troop 45, Lake Forest.

TEN DAYS LEFT IN WHICH TO REGISTER

Only ten days are left to register for Scout Leaders Training courses starting November 3rd and 5th, Monday and Wednesday. On Monday will be the elementary course in scoutmastership and on Wednesday the advanced course in scoutmastership. Both courses will be held monthly in the first week and continuing until the first week in June, 1931. It will be necessary to have two meetings in several of the spring months in order to complete the twelve required sessions. All meetings will be held at Deerfield-Shields high school, Highland Park starting at 7:30 p. m.

It is hoped that every scoutmaster and assistant will get in one of these two courses. Troop committeemen, district committeemen, fathers and friends are all invited to participate in training course for betterment of boyhood.

CAMP REUNION TO BE OCTOBER 27

The Order of the Arrow, who have complete charge of program, arrangements, and attendance, report

that everything is in readiness for the greatest reunion of campers and dads ever held on the North Shore. The program will be just one big event after another, full of fun and furious enjoyment. Any Ma-Ka-Ja-Wan camper could never afford to miss this reunion.

At the Deerfield-Shields dining hall where the "big feed" will be handed out starting at 6:30 Monday evening, Oct. 27th, they can only accommodate 425 people. That's not very many when you think that 359 different scouts attended camp this summer, and everyone of them will want to bring their dad. If you haven't registered at scout headquarters it may be too late, but give it a try anyhow. If there's a chance don't miss it.

H. P. TROOP 33 HOLDS MEETING

Troop 33 had a lot of fun at the meeting Friday night, for there was a judging contest. There were five stations, a senior staff officer at each station. One was for distance, another for size, then numbers, then weight, and last height.

Then the scouts played a game that was something like "Prisoner's Base." Each side had an oblong marked off, in which there were placed six sticks (six for each side.) The man who got into the oblong without being tagged by the guard, is permitted to take one stick or take out a prisoner. Any man that steps over the line and is tagged is a prisoner. The side having the greater number of sticks wins.—Kerwyn Smith, troop 33, Lincoln school.

COUNCIL REGISTERS SEVERAL NEW LEADERS

Throughout the North Shore Area council in the last week several new leaders have been registered. Mr. Louis C. Schultz is now a registered troop committee member of troop 31 in Highland Park. Ralph W. Pratt, an old time Lyle Scout of Spokane, Washington, has taken over his new duties as assistant scoutmaster of troop 34, Presbyterian church, Highland Park. Both Mr. Alfred J. Salisbury and Leo E. Maiman are new merit badge councilors in Lake Forest. Chief Whirling Thunder (R. W. Johnson) of the Winnebago tribe, was on the Camp Ma-Ka-Ja-Wan staff this summer and is now registered as a special deputy commissioner.

Five year veteran ranks were awarded to Ray H. Davis, Eagle scout of troop 18, Winnetka, committee house and scoutmaster Wendall A. Hill of troop 31, Highland Park.

TROOP 45 BOYS ADVANCE IN TESTS

A large number of boys from troop 45, Lake Forest, attended Camp Ma-Ka-Ja-Wan this summer with their assistant scoutmaster, Mr. Atteridge. A number of awards were given out. These are the awards: Lawrence Freeman, First Class, merit badges for reptile study, leather craft; Ian McPherson, merit badges for camp-

ing and photography; Edward Box, merit badges for athletics and cooking; Allen Hokenson, merit badges for cooking and photography; Edward Bleier, merit badges for farm layout and cooking. All the other fellows passed tests and most of them received their Ma-Ka-Ja-Wa's M's.

At our last Court of Honor merit badges were given to Edward Bleier, farm home and its planning, farm layout; Ian McPherson, life saving, bird study, farm layout and cycling; Allen Hokenson, animal industry, carpentry, cycling; Ian McPherson also received the first Eagle award to be earned in Lake Forest. Only one other Lake Forest scout has this high rank, and he earned it before coming to Lake Forest.—Allen Hokenson, troop 45, Lake Forest.

MANY NEW SCOUTS HAVE REGISTERED

Many new scouts and cubs have registered the last two weeks, bringing the total registration of Cub, Scouts and Sea Scouts in the North Shore Area council to 1,423 in number. Here are the new members the council congratulates.

Wilmette—Troop 2, Everett Phillips; troop 4, Bill Jenkins; troop 8, Gordon Wells; troop 10, Alfred Bartnick.

Kenilworth—Troop 13, Russell Baker, Kenneth Covert, Vernon Faulstick; transferring from Cub Pack 60 of Kenilworth to troop 13 of Kenilworth, Arthur Carlson, Gilbert McIntosh, William Wolf.
