DEERFIELD TROOP HAS GOOD MEETING

The regular weekly meeting of troop 52 at our usual meeting place, the Presbyterian church, Friday evening at 7:30 o'clock. Seventeen scouts and five officers were present. The meeting opened in usual form, flag salute, led by E. Todd, Senior Patrol leader; followed by the Scout Oath and Law and then a prayer by Rev. Andrews. The business meeting was then opened, at which announcements from the council were read, and final plans told the scouts for the Fathers and Sons banquet next Friday evening.

Milton Merner then told about the trip made by a member of the scouts to Champaign, Ill. for the University of Illinois vs. Iowa game. Edward Ramsdall then told of the experience of those that stayed over night. The patrols were then dismissed to their corners, where they made out their report subjects and planned their stunt for the banquet. Assistant scoutmaster, J. Derby then instructed the scouts in a short marching drill. The meeting was dismissed with the taps and benediction.—Kenneth Vetter, troop 52, Deerfield.

and the net income for the quarter ended September 30, 1930, would have been approximately \$367,000 greater; and for the 12 months period ending September 30, 1930, it would have been approximately \$417,000 greater says a report issued by the company.

Urge Loyalty to G. O. P. at Party Banquet Held in Waukegan Last Week

Loyalty to party and support of the straight Republican ticket were urged upon Lake county voters by speakers who addressed a political banquet in the Karcher hotel, Waukegan, Oct. 16. Precinct committeemen county postmasters, county officials, republican candidates for county offices and state employees in Lake county to a number of considerably more than one hundred were present. Attorney Max Przyborski, chairman of the Lake county central committee, presided as toastmaster.

Charles W. Hadley, chairman of the Illinois Commerce Commission, was the principal speaker of the evening. He impressed upon his hearers that the election of James Hamilton Lewis as U. S. senator would not insure the return of light wines and beer. In urging the election of Mrs. Ruth Hanna McCormick he pointed out that she has agreed to be guided by the wishes of Illinois voters as expressed in the state-wide referendum on the liquor question. A vote for Mrs. Lottie O'Neill, he warned, would be a vote for Lewis.

Congressman Carl R. Chindblom praised the Republican protective tariff measures, and said that the greatest periods of prosperity in this country have occurred during Republican administrations. He pointed to the unequalled prosperity that followed the world war, broken only by the stock market debacle last fall which he said would have occurred no matter which political party was in power. A change in administration policies at this time, he warned, would be disastrous.
