Over 400 Attend Dinner and Program at High School Monday Evening

The after-camp reunion held by the campers of the Boy Scout Camp Makajawan at the Deerfield-Shields high school dining room Monday, Oct. 27 proved a high spot in the fall program for the scouts of the North Shore Area council. 425 scout campers and their dads made reservations for the affair.

The program, arrangements and entire set up was in charge of the Camp Brotherhood, the Order of the Arrow. Eagle Scout George Bersch is president of the order, Eagle Scout John Betak, vice president; Robert Mehren, Secretary and Eagle Scout Oscar Goepner treasurer. The Arrow members made a complete check up on all campers to assure the largest possible attendance.

### Sing Camp Songs

The program was full of fun, good time, pep, enthusiasm, and songs such as would be witnessed at Camp Makajawan itself. Mr. Harold G. Boltz, assistant camp director kept the crowd happy leading good old camp and other familiar tunes. On one occasion the dads and lads had some real competition in song. Mr. Wm. Geary of Highland Park led the dads in an echoing chorus of "School Days" that even the scouts couldn't beat (Continued on page 13)

## Annual Meeting of Tee Club at Sunset Valley Held Oct. 28

The annual meeting of the Tee club of Sunset Valley was held at the club house on October 28. Committee reports were made by Mrs. Laing, chairman of the house committee; Mrs. Elwell, treasurer; Miss Miriam Steever, chairman of the lounge committee; Mrs. Reeves, sport and pastimes chairman, and Mrs. Gray, chairman of the prize committee. These reports showed that the Tee club had had a most successful year, both socially and financially, and the members are greatly encouraged by the progress in the first year of the organization, and are anticipating a very interesting and happy season next year.

A number of motions were made and carried, one of them being to change the annual meeting from the last Tuesday in October to the last Tuesday in September.

The meeting closed with a motion to thank Mr. Laing, Mr. Kelly and the members of the Park board for making the success of the club possible.

## Numerous Responses to Cleaning Offer

John Zengeler, Inc., report that their offer of last week to clean clothing donated for use of the Humane society in relieving distress among the needy has been met with several responses, and the company wishes to repeat the offer, being ready to handle more of this kind of work for charitable purposes of the Humane society.

## Free Classified Ads To Help Unemployed

Beginning with next week's issues, the Udell Printing Co. will print free of charge in the classified pages of its three newspapers, the Highland Park Press, the Deerfield Press and the Lake Forester, classified advertisements for persons who are unemployed and in need of work. Similarly free ads will be run for persons who are seeking help and are willing to give preference to those who are out of work and really need employment.

In making this offer the Udell Printing Co. has in mind the existing economic situation and the number of people who are willing to work and cannot find jobs. It is principally to aid these deserving unemployed that this plan has been adopted, and it is hoped that the offer will be accepted in the spirit in which it is made by both those who need work and those who have jobs to offer and will give them to the needy.

There are many odd jobs about the house and grounds at this season that may easily be turned over to those who are out of work and who will be glad to have even the smallest jobs. If everybody will pull together in this matter much may be done to alleviate distress and restore a measure of confidence and prosperity in the community. Let's all co-operate to remedy a condition which touches us all, directly or indirectly.

## D. A. R. Better Films Committee Reports on Current Movies

While this committee of the National D. A. R. is not very old, it is rapidly becoming one of the most important in the list of activities. It is impossible to conceive of the unlimited possibilities for good or evil of the motion picture, and we as leaders in patriotic thought and ideals have a responsibility to help determine what type of picture shall be shown in our locality, and guide parents in the choice of suitable pictures for their children.

Junior matinees are becoming popular and they have a place all their own. Progressive managers are becoming more and more willing to cooperate in arranging these matinees. Our local manager has unflinchingly tried to supply programs best suited to children on Saturday, frequently being dissatisfied himself with material available, but is inaugurating next Saturday a special serial, the first talking serial produced, and parents be prepared to increase your child's allowance for they will not want to miss one episode in the thrilling "The Indians are Coming." Matinee only. Among other attractions are:

"Holiday"—One of the best character comedies, excellently acted and directed. Good for youths to see but beyond children.

"Sap from Syracuse"—Good nonsense, funny and unobjectionable. Amusing and harmless for children.

"Grumpy"—Excellent screening of this famous play. A worth while comedy for everybody and a rare example of intelligent production.

"Romance"—Exceptionally fine performance by splendid cast. Too mature for children. Adults.

"Anybody's Woman"—Well acted realistic drama. The title is indicative of the theme but it is so well done that the picture which has a moral will be found to have interest for adults.

## Large Enrollment in Lecture Course

Mrs. Merrill has had the largest attendance this year that she has ever had in the club. Her lectures have been very interesting.

The next two lectures will be given at the Highland Park club. The topic for today (Thursday), will be "Books of Escape and Diversion," and for Thursday, Nov. 6 will be "A Significant Play—and Three Playwrights."

The opening musical was quite successful with lovely music by three interesting musicians.

The meeting was sponsored by Mrs. F. C. Moody of Highland Park, chairman Peter Duffy of Deerfield and candidate for county treasurer, and Mr. Frank Russo.

## CIRCUIT THEATRE PLANS GO FORWARD

Working on Production of First Play to Be Given in Dec.; Financial Outlook

Work is proceeding in fine shape on the North Shore Circuit theatre production of "Nellie, the Beautiful Cloak Model," with which the traveling theatre will open its Decennial anniversary season in early December. The studio in Evanston is a busy place under the direction of technical director Erbach. Volunteer help is being sought in the studio, principally for the painting of scenery.

### Capable Cast

A capable cast of amateurs is being assembled for the production, and is already in rehearsal under the direction of Samuel S. Otis of Winnetka. The cast includes Mrs. Martha Eggleston of Evanston, in the title role of Nellie. Mrs. Eggleston has never played with the Circuit theatre before, but she has been active in the other phases of the organization's work. She was for several years the leading lady in the Berkeley, California, little theatre. Opposite her, in the roles of the villain and the hero, are Frank J. Morre and Joseph K. Shippen, both of Glencoe. Mrs. Maxine Garner Nelson of Evanston is cast as the villainess.
