

WOMEN VOTERS IN ACTIVE CAMPAIGN

League Taking Prominent Part in Familiarizing Voters with Issues Nov. 4

The Highland Park League, of Women Voters has been active in preparations for elections on November 4th. All candidates were invited to speak at Elm Place school on October 20th, to give their qualifications for holding office. Fifteen availed themselves of that opportunity, and those who heard them felt that it was well worth while. At the last meeting of the League, Mrs. Ira Greenberg read the candidates' records, and Mrs. Robert Grinnell had on display a large map of Highland Park with all precincts clearly marked.

To Distribute Ballots

The day before election, the League will distribute through Highland Park sample ballots, to show the correct manner of marking. At every election countless votes are thrown out because of mistakes in the ballot.

Among the issues to be voted upon is the women-on-juries referendum which the League has given special support.

A poll of the governors in the twenty-one states where women serve on juries is being taken by Mrs. Ralph B. Treadway, president of the (Continued on page 36)

Highwood Loses First Time This Season; Play Cheetahs Next Sunday

The Highwood A. C. tasted the sting of defeat last Sunday when they met the strong American Evening Peaches outfit from Chicago. The score was 6 to 0. This was the first defeat on the Highwood teams record, as they have won four and tied one game previously.

Next Sunday they play the Faust Cheetahs, a new team in the league this year. This team has hung up a very good record so far this fall. The Cheetahs are all their name implies, being very strong and exceptionally fast.

Last Sunday's score does not tell half the story of the game, as Highwood outplayed the paper team, making 14 first-downs to their opponents' three. The Peaches couldn't gain an inch through the Highwood forward wall, while the local team walked right through their opponents in the first half. Three times they had the ball inside the 15-yard line and once on the 4-yard line, only to fumble the ball and have the Peaches recover it.

The Peaches scored after Lindenmeyer had punted about 75 yards down the field to their safety man who reversed his field and ran about 80 yards before being downed by Rogan. Here they tried line plunges, all failing, then their field general saw the Highwood end was out of position and ran a play outside of him to score.

MORTON TROUNCES DEERFIELD, 24 TO 0

Local High School Line Weak in Game Last Week; Waukegan Here Next

A fighting Morton team upset the dope last Saturday with an easy 24 to 0 victory over Deerfield-Shields gridders on the winners field.

It was a one man scoring machine that demoralized the Peelman Stayer counting four times for the Ciceroians. The Deerfield forward wall which appeared weak offensively against Proviso the week previous was even weaker at Cicero. The Blue and White ball carriers were given absolutely no interference and as a result were unable to gain. Bartlett and Worthington are two capable ball carriers but without the proper blocking even this duo cannot gain.

Two Scores in 1st Quarter

Stayer scored twice in the first quarter on pretty runs and on the (Continued on page 12)

Theatre Guild Opens Musical Revue Oct. 27

The new, brisk, Fall edition of "Garrick Gaieties," the Theatre Guild's smart, swift, musical revue, begins an engagement at the Blackstone theatre, Chicago, Monday, Oct. 27 for three weeks only. The present edition of "Garrick Gaieties" is made up of the best tunes, sketches and dance routines from all three "Gaieties" editions, as well as new material which went into the production just before the show left New York for Chicago. It comes to the Blackstone theatre directly from its run at the Guild theatre in New York.

Albert Carrol, a Chicago boy, is one of the principal players. Others in the cast are: Philip Loeb, Sterling Holloway, Doris Vinton, William Holbrook, Rosalind Russell, Neal Caldwell, Donald Burr, Ruth Chorpenning, and many others, including a youthful chorus of extra-ordinary dancers.

You have never seen a show just like "Gaieties" before. It is an intimate revue; nothing large or pretentious about it, no living curtains, adagio dancers, or an overdose of tenors or sopranos. Instead, it offers youth and personality. Really amusing sketches making fun of fads and foibles of the day including some pokes at Chicago, too. The dance routines are intricate and well carried out by one of the cutest and youngest choruses in New York. The songs are tuneful and the words are clever and you can hear every one of them in the Blackstone, an ideal theatre for this type of musical show. Seats are now on sale at the box office for the entire engagement. Mail orders are now being received and filled in order of their receipt. The box office is giving special attention to out-of-town mail orders.

Thank Book Donors

The American Merchants Marine Library association wishes to thank those who very kindly gave books during the drive last week. Seven barrels full of books were collected in Highland Park.
