SEE that tip? It's sharkskin... leather from the sea. No leather's tougher. Scrape it, hammer it, kick it, you can't even dent it. That means wear. This sharkskin tip is a new feature of the Little Gripper which is everywhere recognized as the finest shoe in the world for children. Naturally shaped for growing feet—pliant for barefoot freedom, balanced for walking as nature intended. Bring in the children, for the sake of foot health and long-lived shoes.

To help protect your children from the peril of the streets, have them join THE LITTLE GRIPPER SAFETY CLUB. Come in for full particulars.

Deerfield Lions Club Offer Cash Prizes in New Campaign

The Deerfield Lions club is sponsoring a campaign for the benefit of all home merchants. All the merchants are making every effort in this campaign to put before the buying public, real quality commodities at exceptionally attractive prices. Watch for specials advertised.

Possibly you noticed booklet No. 1 put in the mail on Friday of last week. There were real bargains there.

Cash coupons were in each book. Simply fill out the coupon and hand to any of your local merchants. You may be lucky in drawing a \$10.00 or \$5.00 cash money prize. Drawings will be made Wednesday, Oct. 20. Lucky ones will be announced later. Look for your name. Look for booklet No. 2 coming out this week. See that your name is on a coupon, then look over the real buys in the following pages. Before buying, stop, look and give your merchant your support.

Troop 32

At the meeting we had a few minutes of staff drill. Then we found out how many were going to the cabin. We were terribly disappointed because all that said they were going did not come on Friday and Saturday, Oct. 24 and 25. We got back at 12:30 and some went to the football game at Northwestern.—David Jenkins, troop reporter.
