

HIGHWOOD TO PLAY PEACHES ON SUNDAY

Return Game with Strong Chicago Team on Home Field; Beat Des Plaines Elks

A real treat is in store for football fans next Sunday, when the American Peaches come up to Highwood for a return engagement. Three weeks ago the Peaches beat the local team. This game should be a battle although it was the general opinion that Highwood outplayed the paper team. This game should be at battle as it is the third meeting in the last two years and each team has won one apiece; moreover, the Peaches are the only team that has licked Highwood this year. In only one other game would the rivalry be more intense and that game is with Lake Forest, but no such game will be possible this year as the college town refuses to play Highwood on the grounds that our local team is too heavy for them, incidentally, perhaps a bit too good also. Too bad a game could not be arranged between the two towns for a charity benefit, because when they meet they would draw well and provide lots of action for an afternoon.

Defeat Des Plaines Elks

Highwood vanquished the 1930 edition of the Desplaines Elks, a team that has been highly touted for the

Mrs. A. Hamburger to Give Dramatic Reading Wednesday

The Sisterhood of North Shore Congregation Israel will hold its next open meeting at the Temple in Glenwood on Wednesday, Nov. 19 at 2:00 p.m. The highly interesting program which has been arranged for the afternoon includes a dramatic reading by Mrs. Alfred Hamburger on "Green Pastures," the Negro play by Marc Connelly, which recently took the Pulitzer prize. Mrs. Hamburger will be ably assisted by Mrs. Doris Burke Waterstone who will be heard in Negro spirituals. Mrs. Waterstone has a voice of unusual beauty which lends itself charmingly to the crooning qualities of these Negro melodies.

Mrs. Alfred Hamburger is a lecturer and dramatic reader of striking ability. She founded the Chicago Sinai Players and also launched the "Book and Play" club. During the last ten years Mrs. Hamburger has done dramatic interpretations reading all modern successes such as Galsworthy's "Loyalties," "The Skin Game," "The Silver Cord," and many others. She has a magnetic personality, a beautiful voice of great power and brilliant charming humor. She has always been very much interested in the furtherance of the Peace issue and has given dynamic and outstanding speeches on the Kellogg pact. Mrs. Hamburger ran for office on the Socialistic ticket in the recent election.

Dodge Mileage Marathon Eight Visits McPherson Agency Here on Tuesday

Sponsored here by A. G. McPherson, Inc., local Dodge automobile agents for the last 14 years, the Dodge-eight mileage marathon car visited Highland Park Tuesday of this week, and the driver, A. L. Peters and Ray Priest, official American Automobile association contest observer with him were guests of McPherson, Inc., at breakfast at the Moraine hotel. Several others were guests, including newspaper representatives.

This car, a regular five-passenger Dodge eight sedan, has been on the road continuously for 134 days and is now on its eighth trip out from Detroit, calling on Dodge dealers on the way. Up to Tuesday morning it had traveled 51,200 miles. It is receiving only the average care that the average motorist would give his car, and the hood and other working parts are sealed. In the 134 days the car has been out it has received no major repairs and is still going strong.

Traveling at fast average touring speed—about the pace maintained by the average driver on a long distance run—the Dodge eight mileage Marathon car is scheduled to keep on rolling over all kinds of roads in all parts of the country at the rate of about 500 miles a day for hundreds of thousands of miles until it is literally worn out and pronounced unfit for further operation. Dodge Brothers officials and engineers do not know how long this will take, but are prepared to keep the car going for years.

In one round trip across the country the mileage Marathon car piles up more mileage than the average driver travels in six months' time. The total mileage at the end of this unprecedented automobile marathon is expected to startle the world.

No attempt is being made to lower cross country speed records. The purpose of the mileage marathon is to establish beyond the question of a doubt that in the modern straight-eight type Dodge Brothers automobile dependability, the trait most desired by the owner of an automobile, has been steadily made greater and greater in the same way that appearance and performance have been improved year after year.

N. S. WOMEN VOTERS MEET CHINDBLOM

Discuss Current Legislation at Luncheon Monday with Congressman; Details

Seventy-six delegates from nine Leagues of Women Voters in the North Shore area, including Highland Park and Lake Forest, had luncheon with Congressman Carl Chindblom at the North Shore hotel Monday to discuss legislation of particular interest to women constituents.

Mr. Chindblom explained his stand on questions, but made no address. The conference was informal and private.

Discuss Two Bills

Among the questions discussed was the "lame duck" amendment, which calls for the abolition of the short session of Congress, a measure which Mr. Chindblom opposes, and the Cabell act, which concerns the citizenship and naturalization of women.

Legion Post Meets in Elks Club Tonight

Members of Dumaresq Spencer Post, No. 145 of the American Legion hold their first meeting tonight in their new quarters in the Elks club rooms, corner of Laurel avenue and McGovern street. The meeting begins at eight o'clock sharp. The entertainment committee have provided a very good program including movies and eats.

The drum and bugle corps will also meet directly after the Post meeting to further their plans in the forming of a unit within the Post. This organization is now well under way and an invitation is extended to all ex-service men who are not members of the Legion to join and become a member of the drum and bugle corps. Instructions will be given free.
