Deerfield Will Play New Trier Here Next Saturday; Hard Battle

Deerfield high will wind up the 1930 football schedule when they play New Trier on the local field November 15. This game will be tough for both teams as it has always been the wish of both schools to win this annual contest.

From 1921 to 1927 Deerfield won from New Trier every time, but for the last three years New Trier has beaten us by large scores.

In 1927 they defeated us 19-6, and in 1928 we lost by a score of 26-6. Last year, when we were supposed to have a good team and were favored to beat them, we went down to their field and came out on the short end of a very tough game which ended 13-6.

This year New Trier has a very good team. They have beaten both Proviso and Morton, but they have also been beaten by Evanston and Oak Park.

Saturday's game will be our homecoming and we want a large crowd of spectators to cheer for our boys. New Trier will, as usual, bring a very large crowd for this event.

Frosh-Sophs to Play

The frosh-soph team will play new Trier's frosh-sophs at 12:30.

There are now so many airplanes traveling over London that the air ministry is going to put one way air traffic into effect. How about left hand turns?
