

# PRESENTING THE NEW CHEVROLET SIX

Today the Chevrolet Motor Company presents the Bigger and Better Chevrolet Six, a new model of the six-cylinder car which has enjoyed such wide popularity.

In both the chassis and body of this new six-cylinder Chevrolet you will find expressed, as never before, Chevrolet's well-known policy of progress through constant improvement.

For—without departing from the basic features which have won the enthusiastic approval of over 2,000,000 buyers—Chevrolet has produced a six-cylinder car which represents an entirely new standard of quality, value and

hood lines sweep back unbroken to blend gracefully into the new Fisher bodies. And never was Fisher's fine craftsmanship more evident than in the bodies of the new Chevrolet Six!

Not only are the smart, graceful, new bodies roomier and more comfortable, but as you study them you will discover many gratifying new features and pleasing refinements—many examples of that painstaking attention to detail which is the basis of true quality.

Mechanically, too, the new Chevrolet Six is a better automobile. The wheelbase is longer. The frame is stronger. The steering is easier. The clutch is more durable. There is a
