The Annual Church Family Dinner last Thursday night was a splendid success from every angle. The social room was crowded and a few were turned away for lack of room at the tables. The ladies served an attractive dinner, every one was in a happy mood, spirited group singing was hearty and the spirit of the occasion was contagious. Following the dinner, those present settled in their chairs at the tables prepared for a fine program and were not disappointed. First came selections on the vibraphone by Peter Grimson who responded to urgent encores and then Rev. Dr. Moore, district supt., was introduced by the pastor who acted as toastmaster. Dr. Moore is a great favorite with our people and he gave an enthusiastic talk which pleased every one. Then followed group of three songs by Mrs. E. R. Baum, beautifully sung and accompanied by Mrs. Paul Downing. Dr. John Thompson, the famous pastor of our Chicago Temple church, was then introduced and it can only be said that those few who left before the program missed a truly great talk, full of wit, humor and sound common sense. Those present would have gladly listened for another hour and when he would have stopped there were calls "Go on, go on." So pleased were our people with the evening, that there was a general demand for many more of the same sort of evenings and others will be given during the winter.

The decorating of the church auditorium is not as yet completed but it is hoped to have everything in place by next Sunday so that service may be held there. Additional improvements to those at first planned are being carried out and every one is pleased with the undertaking. Notwithstanding the confusion and unsettled condition, Sunday school and church services were held as usual Sunday and well attended.

Fine attendance at the Epworth league Sunday night, the meeting being led by Miss Bernice Wynot on the topic. "Present conditions in China and their relations to missions." Next Sunday night Mr. Max Houger will lead.

A Young People's choir is being organized under the direction of Mrs. E. R. Baum, who has volunteered to conduct. This is a rare opportunity for those of our young people who

love music and would like to improve themselves along that line. Mrs. Baum will give instruction that will be of great value to those wishing to understand music and cultivate their voices. Mrs. J. W. Moore will serve as pianist for the choir and church services.

Come out to Sunday school and church service next Sunday morning and see what is being accomplished, not alone in the redecorating but in the rising spirit and enthusiasm of our people in the work of the church.

In less than four years, the Federal Enforcement officers have put out of business in the Chicago area over 5000 breweries, cabarets, saloons, road houses and other bootleg dispensing liquor stations, thus clearing the district of conspicuous law-breaking, secured convictions in over 90 per cent of all cases, without the killing of a single man by the Federal officers, although one officer was killed by these law-breakers. Prohibition is working fully as well as our laws against highway robbery, gambling and other laws which interfere with "personal liberty."
