## Delightful Recitals At Last Meeting Of Ravinia Woman's Club

The recitals of both Mrs. Dorothy H. Blum and Miss Ida Lustgarten, at the last meeting of the Ravinia Woman's club will long be remembered by the members. Each contributed equally to the pleasure of the very large and appreciative audience.

Mrs. Blum, lovely in person, and arresting in personality, employs her exquisite lyric soprano with telling effect. Her repertoire is extensive, and she is, therefore, able to respond readily to specific requests. The transition from delicate pastorals to the operatic splendors of Puccini were effortlessly made. The rendition of arias from Tosca and La Boheme was velvety, vibrant, and rich, yet restrained withal. In addition to being a gifted singer, she is an accomplished

This is the outstanding gridiron contest of the season in this section, as the two teams are playing for the middleweight championship of Lake county, and a large silver football is the trophy to be awarded the winning team.

### Teams Well-Matched

The two teams are well-matched, it is believed by fans who have seen both in action. The Deerfield team has won five games out of seven played, and the two lost were played in the early part of the season. Since that the team has greatly improved in every way. The Lake Forest team also has had a winning record this season, and both teams are confident of victory. A number of the players on both teams are former Deerfield-Shields high school stars, and the rivalry is keen. George Emmett and Gordon Kress are the coaches of the Deerfield A.
