

The Christmas Savers' Limited

is ready to get going. A deposit book from this bank is your ticket (for the asking) and a pre-paid Christmas for 1931 is the destination.

Save a Fixed Sum

You know, this Christmas Savings idea is simple but wonderfully effective. You merely save a fixed sum weekly — whatever amount you choose — and interest is paid on all accounts paid to date.

Easy to Save

By the time the Christmas shopping season arrives next year, you'll have an ample sum to defray the cost—a sum you never missed because 'twas spread over 52 weeks.
