At last the big day is at hand! Saturday, Dec. 6, will see the first performance of the four Children's Plays, scheduled by the literature committee of the Highland Park Woman's club, at the Elm Place au-

Mrs. Guy Stuart Bailey

ditorium at 2:30 p.m. Mrs. Guy Stuart Bailey and Mrs. John W. Hansel, pictured above, will present excerpts from the opera of Hansel and Gretel. The following brief summary of the opera might well be read by parents to their younger children, so that when they arrive on Saturday they will immediately fall into the spirit of the music.

"Hansel and Gretel" by Humperdinck is a fairy opera in three acts and was first produced in Germany in 1893. The next year it was translated into English and performed in

B.P.O.E. Gives Stag Friday, December 12

Considerable interest has been shown by the entertainment committee in starting out their winter program, and on next Friday evening they are giving a Stag and Turkey Raffle for all Elks and friends, especially invited by Elk members.

Good entertainment has been arranged and a large attendance from this lodge and other lodges is expected. Should any of the Elks or their friends be lucky, they will probably walk home with a turkey.

Handel's Messiah To Be Given at High School Auditorium December 12

Handel's "Messiah," that majestic and incomparable oratorio which was first heard in Dublin nearly 200 years ago, will be presented on Dec. 12, by the International Harvester Choral society, at Deerfield-Shields high school. The proceeds of the performance will be expended for much needed philanthropic work in Highland Park, Highwood, and Deerfield.

This fine entertainment, given under the auspices of the Highland Park Woman's club made possible through the courtesy and generosity of Mr. William M. Reay, should have the whole-hearted support of the entire community. The cultural appeal need scarcely be emphasized. Usually we have to make a tiresome trip to town in order to hear first class choral music; next week the opportunity of hearing one of the finest choral societies in the Middle-west will be brought to our very doors,—a chorus of over 100 beautifully trained voices supplemented by specially responsibility laid upon us,—at this time particularly urgent, to contribute generously toward the relief of those less fortunate than ourselves whose distress is a community reproach. Mr. Reay and the Woman's club are contributing their best efforts to a splendid cause; let it not be said that we and our sister communities are less generous.

D. A. R. Chapter Special Guest Day December 11; John B. Maling to Speak

North Shore chapter Daughters of the American Revolution will meet on Thursday, Dec. 11 at 2:30 p.m. at the home of Mrs. E. R. Phelps, 275 Prospect avenue. It is hoped that a large number of members and friends will be present to hear Mr. John B. Maling speak on "Principles of Americanism." Mr. Maling has a thorough knowledge of his subject and has been enthusiastically received by many large audiences in nearby states. It should therefore be well worth while in these busy days before Christmas to take this opportunity to enjoy the treat that is in store for us in Highland Park. Assisting hostesses will be Mrs. C. A. Harkness, Mrs. W. E. Eriksen, Mrs. R. L. Sandwick and Mrs. J. S. Van Bergen.

Successful Meeting of Men's Fellowship Club

The December meeting of the Men's Fellowship club of the Highland Park Presbyterian church was held on Tuesday evening. Dr. Samuel D. Harkness of the Winnetka Congregational church gave a most interesting address on religion and the present day needs of mankind. The members of the club enthusiastically accepted Dr. Harkness and his message. A committee of church women served a delicious turkey dinner. And in keeping with the season a special program of Christmas music was given. The men voted the meeting a huge success.

Bridge Tea Benefit Given on Monday Is Splendid Success

A pleasant afternoon was spent on Monday by those who attended the afternoon bridge tea, given by the Ravinia Woman's club, for the benefit of the un-employed in Highland Park and Ravinia.

The party was held in the Arts room of the Village house and more than 70 people were present.

There was a prize for each table and tea was served during the afternoon.

Mrs. Theodore Fischer was in charge of the affair which netted a tidy sum for philanthropy. Members of the committee who worked with Mrs. Fischer were: Mrs. Victor Fabian, Mrs. Ross Marvin and Mrs. Harold Lynn.

August Zimmer Dies Sunday; Funeral Held on Tuesday Afternoon

The funeral of August O. Zimmer, resident of Highland Park for 49 years, whose death occurred Sunday at his home, 616 Laurel avenue, was held Tuesday afternoon, at the home of his daughter, Mrs. Ida Rudd, 628 Laurel avenue, and was attended by many friends and acquaintances. Burial was in the cemetery at Wheeling. The Rev. C. G. Unangst of the First United Evangelical church officiated at the services.

Mr. Zimmer was born at Wheeling March 26, 1850. He was married about 48 years ago to Miss Salome Wickersheim, who survives, and three children are living of a family of six. The three are Frank Zimmer, Mrs. Ida Rudd and Mrs. Helen Freberg, all of Highland Park. One son and two daughters are dead. Other near relatives are three brothers of the decedent, Julius H. Zimmer, Albert Zimmer and Edward Zimmer, all of Highland Park.

Mr. Zimmer was a harness maker by trade and was engaged in that business here for many years. He resided here for many years. He had been in ill health for about a year, but was at his work much of the time during the past summer. He was an expert and one of his most vivid memories was that he once worked on a special set of harness made in Chicago for the horses used by the wife of President Abraham Lincoln.

In Highland Park Mr. Zimmer had a host of warm friends who valued his friendship and appreciated his sterling character and their sorrow at the end of his long and useful life is sincere. The relatives have the deep sympathy of the entire community in their bereavement.

NEED MORE JOBS AS CHRISTMAS NEARING

Social Service Committee Urges
Citizens to Send Baskets;
Cases Investigated

Unemployment relief and other charitable work went on apace here during the past week under the able guidance of the Highland Park Social Service committee and preparations to carry on through the winter were under way. This novel clearing house for all organizations and individuals interested in helping those in our community who need assistance during the present emergency, sees to it that every appeal is justified and that no one is asked to help a family unless help is needed.

The response has justified the time and effort that a number of our citizens have put back of this humanitarian enterprise. There are no administration costs charged against donations made through the Social Service committee. The office in the old Community Shop on Central avenue is donated—the services of the paid secretary are donated—the storage space for materials collected for distribution is donated—and all the workers are donating their services. Every dollar received goes on its mission of mercy.

Many Families Help

Many of our families are assuming a share of this responsibility by creating jobs—some permanent, some

CORRECTION

In a report of a burglary at the N. S. Landscape Co. last week, it was stated, through erroneous information, that the concern was in the Moldaner & Humer building. It has since been learned that the company has been in the Masonic temple building for some time.
