"Bugs" Moran Gives Bond in Lake County Court; Hearing Dec. 9

George "Bugs" Moran, termed Chicago's public enemy, last week gave bond for \$5,000 before County Judge P. L. Persons on a charge of vagrancy with a definite trial date of Dec. 9 being set.

Moran, unaccompanied, appeared in the County court for the second time this week, and this time he presented a real estate bond that was acceptable by the court.

The bond was made on an amendment to the original information in which vagrancy was charged by State's Attorney A. V. Smith. Colonel Smith amended the information because he believed that it would make it stronger.

"I am certain that we can present an effective case against Moran, and the conviction of Fur Sammons, Chicago gangster, yesterday, gives me greater hopes of sending Moran to Vandalia," Colonel Smith said.

Moran was in the county yesterday. In fact, he was in Waukegan for a conference with his attorney Claire C. Edwards.

Moran was arrested originally at a Deep Lake resort, and was taken for a second time at the same place within two days after his first arrest.
