All Is Not Gold That Glitters . . . Often, At Night, Silver Does, Too

The sumptuousness of the new mode for evening is most luxuriously expressed through the repeated touches of gold and silver which almost invariably characterize the smart formal ensemble. Bags for evening, the dainty slipper, the gleaming jewelry, are especially beloved of Fashion when they find rich accent in terms of gold and silver. Holiday apparel is festive, indeed!

The exquisite gown, illustrated above, contrasts its sheathlike, hip-length bodice, silver-bead encrusted, with a gracefully flaring skirt, ankle-length, of eggshell chiffon . . . \$59.50. Other evening gowns are priced upward from \$16.50. Ruby red velvet, lavishly befurred in white, flares graciously, in the approved longer lines, over the eggshell frock . . . \$49.50. Other wraps are priced upward from \$25.
