Day after day of Pleasure with a *Useful* CHRISTMAS GIFT

It is within *your* power to contribute this Christmas to *her* daily happiness. With the practical gas appliance gift you present *her* . . . convenience that will endure for years will come to lessen *her* household burdens. Tasks now difficult suddenly will become easy . . . worries that harass *her* will fade away . . . ease and leisure she longs for will enter *her* daily life *permanently!* Think of *these* things . . . and decide to give *her* a *useful* gas appliance gift. The sentiment is there . . . with sense!

Thor Ironer

Seated in perfect comfort before a gas heated clothes ironer *she* can finish this important weekly household job in *hours less time.* Old ironing methods waste time . . . require energy that *she* can use to much better advantage elsewhere. Give *her* a gas heated clothes ironer and you give *her* efficiency and leisure. See our display of ironers.

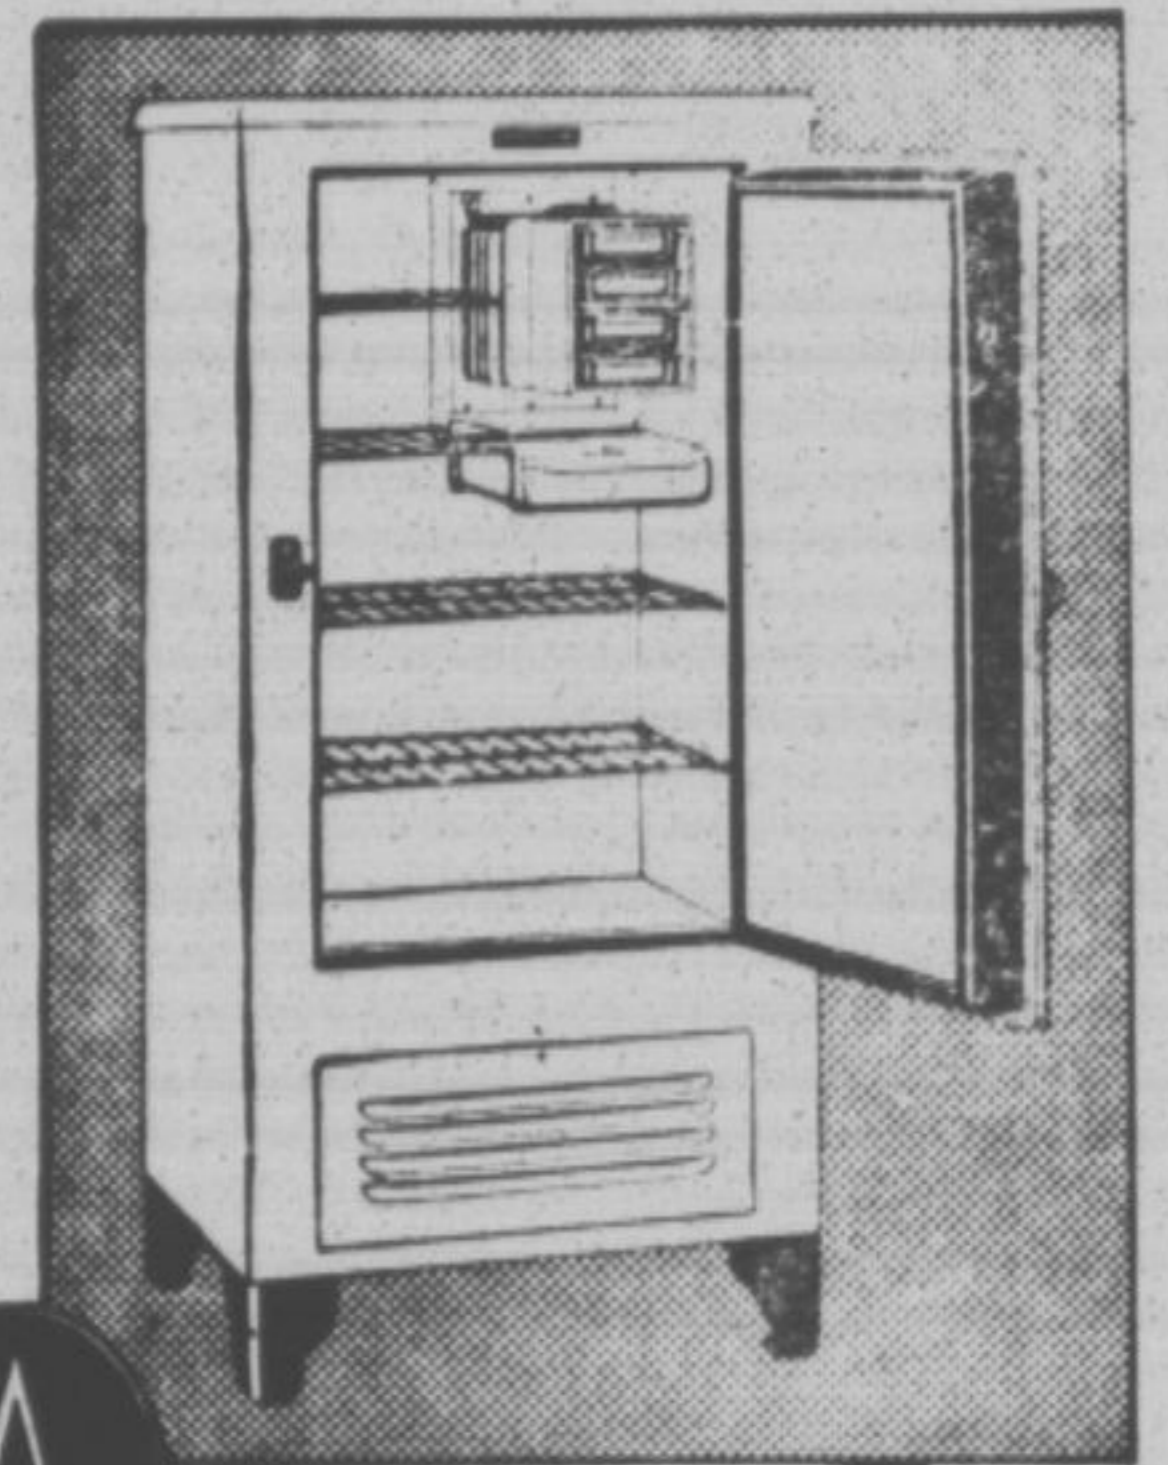

**EASY

BUY
on
Convenient
Terms!**

By making only a **SMALL DOWN PAYMENT** you may have any gas appliance delivered to your home. Then payments may be spread out over a period of 12 months. Without any obligation to you, ask us to give you details of this easy payment plan.

Tiffin Model
Magic Chef

What woman wouldn't be overjoyed to receive a modern gas range that will mean so much in aiding *her* in daily cooking tasks? A new oven heat controlled gas range, besides providing unequalled assistance in culinary duties, lends an air of richness and distinction to *her* kitchen. Beautifully designed . . . appearing as a handsome piece of furniture . . . it will bring *her* Christmas joy . . . and pleasure for years thereafter. We invite you to visit our display . . . or call.

Electrolux
the GAS
Refrigerator

If you ask *her* . . . *she* will tell you that automatic refrigeration for *her* home will be eagerly received . . . especially if that automatic refrigeration is supplied by an **ELECTROLUX Gas Refrigerator.** In this strictly up-to-the-minute refrigerator foods are safe indefinitely . . . and while the Electrolux protects foods it makes no noise . . . has no machinery to wear out or need adjusting . . . needs no attention of any sort . . . furnishes ice cubes in abundance. Electrolux provides the kind of refrigeration *she* wants. Visit our display and ask us more about Electrolux.
