## Give A Christmas Basket!

How are we to enjoy "Peace on earth, good will to men," while little children stand in bitter want!

A Christmas basket may seem a small thing, yet it may be the means of bringing happiness to young and innocent hearts—and of saving older ones from black despair.

Let us increase our own enjoyment of this happy season by awakening the warm glow of fellowship with all mankind in our own hearts through generous giving to those less fortunate.

Call the Social Service Committee today—Highland Park 4000. Get a name and give a Christmas basket!

*"To pity distress is but human; to relieve it is Godlike."*
