

**Voices Appreciation  
for Relief Donation**

December 11, 1930

North Shore Stag Club  
Wm. Moore, President-  
381 Laurel Avenue

Dear Mr. Moore:

"This committee wishes to express sincere appreciation for your held and co-operation in sending us the \$50 made at your dance the other evening.

Sincerely yours,  
N. P. Flinn  
Office Secretary,

*Here's Way To Help*

Let us not wait for the city snow plows to clear our side walks this winter, but let us show our civic pride and consideration for our neighbors and fellow-beings by keeping our walks free from snow and ice ourselves. If our own families haven't time or inclination to shovel the snow, call the Social Service association, H. P. 4000 and give work to an unemployed person.

**Recreation Center Is  
Plan of Local Group**

A recreation center that will provide facilities for both athletics and group entertainment is to be established in Highland Park by the Community service if plans now being considered, materialize.

The community service was organized during the world war to furnish entertainment for enlisted men at Fort Sheridan. It purchased a fine three story building on Central avenue in Highland Park which is used as a clubhouse. This building was sold in recent years for \$70,000 which is being held by the Community Service as nucleus of a fund for the community center.

Reports have been current in the city that the Community Service has purchased the clubhouse of the Highland Park club. This has been emphatically denied, however.

**First United Evangelical Church**  
Rev. C. G. Unangst, Pastor

The Lord's supper will be celebrated on Sunday at 10:45 a.m. after a short message appropriate to the occasion. It will be very fitting to observe this service at this time for various reasons. The sermon will fit into the Christmas thought.

The choir will present the Christmas cantata at 7:45 p.m. We have been informed that the rehearsals have been enthusiastic; the cooperation has been splendid; Prof. Dinkeloo is pleased and we are assured of a fine musical treat and a great Christmas message. Come! Come early! The Bible school meets at 9:30 a.m. The Christmas lesson will be used. A large attendance is expected.

The Sunday school will have its interesting Christmas exercises on Tuesday evening at 7:45. A good program and a large attendance are expected.

The primaries will have their Christmas program and party on Saturday afternoon at 3 o'clock.

The juniors will have their Christmas party on Monday evening from 6:30 to 9 o'clock. Christmas will be a happy time and the various serv-

ices and exercises at the church will promote the spirit of joy and goodwill.

Prayer meeting on Wednesday evening of next week.

The Great Commission Prayer league, of Chicago, has issued an urgent call for watch night services to be held on Monday evening, Dec. 29. Among other things the call says: "This New Year's Eve should see the earth girdled with revival prayer meetings! The need is supreme and universal, and more apparent this year than formerly. Nations are in distress; affliction is upon the people; horizons are perceptibly darkening; hearts are oppressed." In response to this call and in harmony with the custom of this church a watch night service will be held on New Year's Eve. Full details will be announced. Our people and all friends of the church are urged to help us to make the service a memorable one.

The services on last Sunday were large in attendance and rich in spiritual blessing, coming to a close in a great climax in the evening when the Announcers' Trio, of the Moody Bible institute, were with us.

To our many friends we extend our hearty Christmas greetings. May you have an abundant measure of the joy and peace that can come only through the Lord Jesus Christ!

**A. F. J. Kjellquist to

**Christmas Party**

The Mothers club of the Y. W. C. A. will hold their annual Christmas party, Saturday afternoon at 2:30 o'clock. All members of the club and their children are most cordially invited to attend.
