Highland Park Methodist Church
North avenue at Lauretta place
Sunday school and church service,
Frank Hopkins, minister

The church services as well as Epworth league in the evening, were all held in the church once more last Sunday.

This coming Sunday everything will be complete upstairs and all our services will be held there, no unforeseen circumstances preventing. It will be very delightful to get back into our own quarters once more where all will be clean and newly decorated and we may all expect a very happy time.

Sunday school in the morning at 9:45, all departments in their usual places. Supt. Holgate looks for a fine attendance and is pleased with the good turnout there has been even through so many weeks of shifting from place to place.

The church service next Sunday will be of double interest because it is "Christmas Sunday." The church will be decorated with plants and flowers and the service will be in keeping with the spirit of the Christmas time. Let us all come out and fill the church.

The annual Christmas program of the Sunday school will be held on Christmas Eve, Wednesday night of next week, and a beautiful pageant and program is being arranged. There will be the usual Christmas tree full of gifts and every pupil present will receive a gift. Then there will be the "White Gift" program, always a part of our holiday activities, when each class will make its gift to others, in this case to our orphanage at Lake Bluff; everyone is urged to bring gifts of food, canned goods, clothing, toys, etc., for this very worthy object, as well as money.
