Some of the members have moved away and only six are left to carry on for the next year. Eight scouts must sign up before the troop can register and be given a new charter for 1931.

Any scout interested is urged to call either Boy Scout headquarters, H. P. 2431, or Mr. Lee Fetcher, Winnetka 2454.

PERFECT EGGS FOR YOUR HOLIDAY TABLE

Perfect Eggs for your holiday baking. Some people are misled by the word "storage" in connection with eggs. A good storage egg is nothing else than a strictly fresh egg placed under refrigeration at the time of year when eggs are at their best—April—and sold during the winter months when strictly fresh eggs are scarce. It would take an expert to tell the difference between these eggs and strictly fresh eggs. And why pay the difference for your holiday baking?
