JANUARY LINEN SALES OFFER . . .

MORE AMAZING VALUES THAN EVER BEFORE

Check up on your Linens

Now is the time to stock the entire house with new linens . . . at a great saving.

For the dining room

Charming damask sets, in beautiful designs. Some of these come in colors and all of them are remarkably low priced. Sprightly little luncheon sets that add such chic to informal parties are but a pittance.

For the bedroom

Wonderful values in plain or hemstitched sheets and pillow cases, rivalled only by the blanket and comforter values.

For the bathroom

Both face towels and bath towels, some trimmed with colors to tone in with the decorations of the modern colored bathroom. Many present amusing new designs. All are low priced.

For the kitchen

Good dish cloths, glass and dish towels that cost almost nothing.
