termine a program of activities most needed in Highland Park. In this they have had the assistance of the National Recreation association and now with the co-operation and help of the Highland Park East Park Board, are ready to bring this service to the public.

Secure Director

The search for an experienced director of public recreation for the local post finally resulted in securing Harry L. He is a member of the Parks and Recreation committee of the Chicago City club, a member of the Illinois Committee on Rural Recreation, and of the Conservation Council of Illinois; and has written considerably on recreation subjects.

War Activities

During the last war, Mr. Allen had supervision of war camp activities for service men in the southeastern military district. Returning to the middlewest, following the close of the war, he has made periodical visits to Highland Park to confer with the Highland Park Board and Community Service for his organization in their regular field continuation service.
