

**BUY ANY
GAS APPLIANCE**

during January for only

NOW is the time to
MODERNIZE your
home on an **EASY
PAYMENT PLAN**

You receive positive, daily returns in unequalled service for every penny you invest in gas appliances for your home. Every day . . . in thousands of homes . . . gas appliances are performing duties that add unlimited comfort to the lives of families who possess them.

Our January \$2.00 down offer brings an opportunity for you to enjoy *at once* the incomparable joys of additional gas service in your home . . . the remainder of the gas appliance cost to be distributed in **EASY MONTHLY PAYMENTS** over a period of one year. In buying gas appliances on convenient installments . . . especially when the down payment is so small . . . you will find it remarkably easy to own them. The twelve months allowed you to complete payments on any gas appliance you select lets you apportion the cost of the appliance in payments that are made without difficulty. And all during this time . . . and afterward . . . you are enjoying to the utmost the efficient service gas appliances supply in your home.

Which gas appliance is needed most to make your home more comfortable? Whether it be a new gas range, automatic water heater, incinerator, room heater . . . or any other gas appliance . . .

**\$2.00
DOWN**

buy it during January for only \$2.00 down. It will be installed immediately . . . and you may pay the balance while you use it. Come in and see our display of modern gas appliances. Or telephone and ask us to have our representative call.
