

COMPLETE REPORT OF LAKE COUNTY CENSUS

Recheck by Bureau Gives Final Figures for Cities and Towns of County

The city of Waukegan has a population of 34,499 according to the recheck made by the United States census bureau. The check shows an increase of 165 over the figure of 34,334 announced as the census of the city by the government on the basis of the first returns.

Practically every city, village and township in Lake county showed an increase in population figures as the result of the check by the census bureau.

The actual populations of the various cities, villages and townships in the county were announced from the census bureau today as follows:

 Bannockburn village, 1930 census, 186; no figures given for 10 years ago.

Breath of Cattle Is Mistaken for Smoke

All is not fire that smokes. Round Lake firemen found out this fact when they were called to the farm of George Rosing, near Round Lake, to extinguish a fire which, excited neighbors said over the 'phone, threatened the barn, farmhouse and outhouses.

Upon investigation, the firemen learned that the "smoke" which had been seen pouring from the barn was merely the steam resulting from the breathing of cattle housed in the barn.
