

Church Notes

Highland Park Methodist Church

North avenue at Lauretta place
Frank Davidson Hopkins, minister
The attendance at both Sunday school and church service last Sunday was considerably increased over the preceding ones for several weeks past. Our people are enjoying the pleasing appearance of the church and again becoming settled in the accustomed routine of church life. More strangers are with us than usual yet there is plenty of room for both our own members and more strangers. Make this a much better year than last year by attending church regularly; your own spiritual life will be the richer for it.

Those of our young people who are not attending the Epworth League meetings are missing some pleasant Sunday evenings and some interesting topics. Come out next Sunday evening and join in the good time.

Next Sunday morning we will have our first communion service of the new year and also the first with the new chancel arrangement. The pastor will speak on "The Unforgettable Christ," a theme very appropriate to the occasion. There will be special music and the service will be most helpful to all of us.

The Swedish Methodist Church

Highwood Ave. and Everts Place
Rev. William W. Nelson, Pastor
Thursday, Jan. 8: 8:00 p.m.—Mid-week prayer service at church. We invite you to join us in our service of prayer not because this is prayer week but because through prayer you will find the power and inspiration so essential in life. It can truly be said that "More things are wrought by prayer than this world dreams of."

And comforters are needed much
"Ask of God to give thee skill
In comfort's art,
That thou mayst consecrated be
And set apart
Unto a life of sympathy;
For heavy is the load of ill
In every heart;
And comforters are needed much
Of Christ-like touch."

Friday, Jan. 9: 8:00 p.m.—Charity sponsored by the Epworth league. The entire proceeds will be used for charity work in our community. Those who attend this event will not only enjoy a good musical treat but will also make a definite contribution for a good cause. Tickets may be secured from members of the league beforehand or may be secured at the door.

Sunday, Jan. 11: 10:30 a.m.—Sunday school. 6:00 p.m.—After meeting. 7:45 p.m.—Evangelistic service in English. The public is invited to attend all of our services.

Former Resident in Auto Accident

Mrs. Henry Coolidge Sampson, for many years a resident of Highland Park, was seriously injured recently in an automobile accident in San Diego, California, where she now makes her home. After 10 days in Mercy hospital, she has returned to her home, 4316 Hermosa Way. She is improving steadily but slowly. Her daughter, Miss Ruth Sampson of St. Louis, Missouri, has gone to San Diego to be with her.

Students Return to Respective Schools

Students are beginning to depart for their respective schools now that the holiday season is over. Among them are: Caroline Bullard, Wells; Henry Parkin and Bob Childs, Yale; George Hutchinson, Berwick Forgan and Ted Osborn, Cornell; Henry Bencke, Jr., Hugh Seyfarth, Gerrit Van Schaick and John Harmon, Princeton; Vera Purdy, Harrison Walther, Gertrude Walters, Keith Grant, Dick Martin, Junior Cope, Leo Soukup,

THERE is no news at the Motor Shows of comparable importance to this announcement by Studebaker—Free Wheeling with positive gear control is now yours in Studebaker's brilliant new Six.

The two finest cars in America have now adopted Free Wheeling as first introduced in Studebaker Eights on July 10, 1930.

Experience the marvel of Free Wheeling for yourself in this big 114-inch wheelbase Studebaker Six. It harnesses momentum and puts it to work—allows the engine to "rest" two miles out of every ten—insures an actual saving of 12% to 20% in gasoline and oil.

You drive as in a conventional car. Yet you need not use the clutch at all in making your most important shifts—from second to high or from high back to second. You make these shifts easily, silently, at any speed. The full braking power of the engine is instantly available.

Take nobody's word for Free Wheeling. See this new Studebaker Six—drive it. It is backed by Studebaker's 79 years of manufacturing success and integrity.
