

**Park Board Activities; Hockey and Skating Are Features; Other Events**

The East Park District was originally organized to take over Ravine drive to preserve its natural beauty. The district comprised that portion of Highland Park lying east of the railroad tracks thereby being named the Highland Park East Park District. Subsequently annexations were made until it now comprises the greater part of Highland Park.

The acquisition of property holdings keeps pace with the annexations, the property holdings being well distributed throughout the Park District.

**Lincoln Park**

One of the purchases made out of the general bond fund of the district in recent years was Lincoln Park situated near the Lincoln avenue school. This property has an area of approximately four acres. It was graded and some filling done. Additional filling is needed and will no doubt be done when dirt may be secured at an advantage.

Last year a skating rink was provided by the Park Board and the Lincoln P. T. A. assisted by donating \$300 toward the expense of operating it.

A water supply pipe of ample size to provide water for flooding and sprinkling was laid. The old Sunset Park shelter house was moved to this park and has been enlarged and sanitary conveniences added.

**Larger Program**

A larger program will be provided during the summer months of 1931. Cricket will be played there by a local organization. The pitch will be provided during the spring. This does not interfere with other activities that have been going on in this park.

**Hockey Games**

At 10 a.m. Saturday, Jan. 17, the Ravinia Blackhawks will play the Beacon class from the Highland Park Presbyterian church in a hockey game at Park District Rink No. 3 Pres. Church.

The hockey match last Saturday morning at Ravinia ended in another victory for the Red Flashes over their east side opponents the Blackhawks.

The steadiness of Benson and Vangelisti coupled with some good playing by the youthful members of the teams, Riggo'o, Wilder, Amendola and Norvik, gave the edge to the Red Flashes.
