SUBURBAN BUILDING RECORDS FOR 1930

Figures for Year Show Decrease From 1929; H. P. Third in Lake County

Building construction in the metropolitan area of Chicago for the year 1930 totals \$111,695,974, according to the building survey department of S. W. Straus & Co. This volume is contrasted to the 1929 total of \$274,875,747, or more than twice that of 1930. Forty-five suburbs within a forty-mile radius of the city plus Chicago itself are included in the survey. The total for the suburbs alone is \$32,082,514, for Chicago \$79,613,400. In 1929 the total for the same suburbs was \$72,588,947, for Chicago \$202,286,800. Highland Park ranked third for the year in Lake county, with Lake Forest first and Waukegan second.

Deerfield Grammer School

"The Highway," the bi-monthly news of the Deerfield Grammar school, is sponsored by the eighth grade. On Wednesday, Jan. 7, 1931, the first paper for the new year was printed. The following articles are taken from it:

What I Got for Christmas
by Second Grade Children

I got a slate, a very funny little slate for Christmas. When I go to write the funny little thing makes a creak. I love my funny little slate. I play with it all day.—John Boyle.

I got a checker board for Christmas. I lost two games of checkers with my mother.—Leland Plagge.

I have a little accodian. It is black. I play with my accodian. I play "Home Sweet Home" and other songs.—Kress Willman.

Once upon a time there was a little girl. Her name was Mary Hatfield. She got some dishes for Christmas. She had a tea party. She had ice-cream for dessert.—Mary Hatfield.

The Deerfield Grammar school is expecting a good basketball team this year. It has five players who were regulars on the team last year. They are Allen Lange, Eldon Frost, Neil Anderson, Charles Orsborn, and Harry Allsbrow. The team practices three nights a week. Most of the eighth grade boys have been out for practice, but we would like to see more seventh grade boys.

The P. T. A. is sponsoring a hot dish project for school children who find it necessary to bring lunch every day. If the child is absent there will be no refund. The children will be told in advance what the hot dish will be so that mothers may prepare the rest of the lunch accordingly.

The Girl Reserves went caroling before Christmas.

Mrs. Sugden was injured in an automobile accident during the holidays. Mr. Bates will take her classes until she returns.

Philip Fisher, Grade 3, has returned to school after a very long illness.

Charles Burnett of the seventh grade has returned after an absence of many weeks. He still uses crutches but is hoping for complete recovery very soon.

Benner Hitchcock of the sixth grade has moved to Florida.

Robert Portlock, in first grade, has moved to Galesburg, Illinois.

Woman Drags Husband From Burning Machine

Unconscious from injuries received when his car crashed into a moving Soo line freight train in Mundelein early Saturday morning and burst into flames, Ray Febdeler, 25, of Palatine, was saved from horrible death by his wife, 24, who dragged him from the blazing automobile, although she had also been painfully injured in the accident.

Mrs. Febdeler then hailed a passing car driven by Frank Baumgartner of Libertyville, who picked up the injured couple and rushed them to the Condell Memorial hospital in Libertyville. Both are recovering.

Carl W. Stenger, former president of Waukegan State bank, was elected chairman of the board of directors of the bank at the annual meeting of officers last week. Norman O. Geyer was named president.
