## First Church of Christ, Scientist

First Church of Christ, Scientist, Highland Park, Ill., 381 Hazel Ave. a branch of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., holds services every Sunday morning at 11:00 and on Wednesday evening at 8 o'clock, when testimonies of Christian Science healings are given. Sunday school meets at 9:30 a. m., and is open to pupils between the ages of four and twenty.

Subject for next Sunday's lesson "Life."

You are cordially invited to make use of the reading room, 43 N. Sheridan rd., where the Bible and all authorized Christian Science literature may be read, borrowed or purchased. The reading room is open every weekday from nine in the morning until six in the evening, on Wednesday until 7:30 and on Sunday afternoon from 2:30 to 5:30.

## Highland Park Methodist Church

North Ave. at Laretta Place  
Rev. Frank D. Hopkins, Minister

The Sunday school upper department, but not including the Beginners and Primary departments, will be given a "party" this week Friday evening at 7:30 in the social rooms of the church. All the boys and girls of the Junior, Intermediate and Senior departments, including their teachers and their parents are invited and it is desired that there be a full turnout. There will be lots of interesting things to do and also to see and a most enjoyable evening may be anticipated. It is especially desired that the parents come with their children and get acquainted with the teachers and officers.

Do you think that a minister could preach six or seven sermons from one text and yet have each so different from all the others that there would be no repetition? Next Sunday morning the pastor will begin a series of six sermons all based on the well known verse John 3:16, which is often called "The heart of the Bible," "The Bible in one verse," etc. In this verse are plainly disclosed the six great fundamental truths of the gospel, each distinctly separated from the others: "God," "The Relation of God to the World," "Jesus Christ, the Son of God," "Faith, the Universal Attribute," "Eternal Death; Is it a Reality?" "Eternal Life; Is it a Reality?" The first of these, "How shall we think of God?" will be given next Sunday morning. All who have questions along these lines and wish to be able to think clearly on these great topics should hear every one of these talks. Pastor Hopkins has given this series twice in other pastorates to large congregations which displayed great interest. The present series, while covering the same topics, will be re-written and much new material introduced. The importance of this series ought to fill our church.

The Woman's Foreign Missionary society met Tuesday of this week with Mrs. Chas. Kuhlman, 1921 Ft. Sheridan avenue, Highland Park. Mrs. Baker had charge of the program and

study period. Our women much enjoy these gatherings and the interesting studies, which keep them zealous in our world-wide work.

The Ladies Aid meets this week Friday afternoon with Mrs. C. L. Boyd, 1200 N. Green Bay road. All the women of our congregation are cordially invited to attend and enjoy the social hour. Even the business details never prevent the ladies from having a good time at these meetings.

Someone was trying to explain to a countryman the way of salvation and to make his point clear, said, "If you were hungry and asked your father for bread, would he not give it?" "No, he would not," was the reply. "He would say, 'Lad, take the knife and help yourself.'" Every needed supply from the Father is freely offered; reach forth and take it and be blessed.
