Hot Lunches for Children at School Prove Popular

About one hundred children are being served the hot lunches at the Deerfield Grammar school each day. It was announced that lunches would be twenty cents for the week, if paid in advance, but that incurred the keeping of records and made too much work. To simplify matters a charge of five cents a day will be made, and payable each day.

Mrs. A. J. Johnson is in charge of the hot lunches and will try to announce the menu each week so that parents may plan the children's lunches accordingly. Later perhaps more than one thing will be served. At present one hot dish a day is planned.

Menu for Jan. 19 to 23

Monday—Cream of tomato soup.
Tuesday—Scalloped potatoes.
Wednesday—Spaghetti with tomato sauce.
Thursday—Home baked beans.
Friday—Hot cocoa.

The P. T. A. purchased twelve dozen plates, twelve dozen cups, twelve dozen forks and spoons, but had not anticipated that the hot lunches would be so popular.

Because the luncheon serving has just been started and because they did not realize that so many children would wish to be served, not enough food was cooked to serve all those who desired it. The Parent-Teacher association requests that parents be patient until the system has been tried out for several weeks. They are so glad that it is so successful and will endeavor to provide enough food from now on.
