As Nash Dealer For These Communities

The new Nash representative for this territory joins forces with Nash because of the firm conviction that no other motor cars offer so much quality and value, as do the three new Nash Eights and the Nash Six.

These cars — the fastest, the most powerful, finest performing cars that have ever borne the Nash emblem — *are priced sensationally low.*

The new Nash representative welcomes an opportunity of showing the new Nash cars and of having you put them to any test desired.
