ization to assist in community wide recreation programs.

**Birds Coming North**

This fine weather has started many of our bird friends toward the north much earlier than usual. This will mean frozen toes and hunger—so it is a good time to keep the feeding boxes well filled with food.

**Bird House Building**

Classes in bird house building will be started soon and there will be an exhibition later of the best houses of different classes in some public place.

Have you a maple sugar tree on your place? If so you may tap it when as the rural saying goes it "freezes nights and thaws days."

**Basketball**

We have about two months more of basketball this season—28 teams are now playing or being arranged in Highland Park and vicinity.

There is a growing interest in one act play tournaments, also in community music including quartets and orchestras. The recreation office is prepared to help in the organization of such groups.

Young artists will find pleasure in using a "Camera Meter" which may be secured at Camera Supply houses. Make tree silhouettes from elm, sugar maple, old cedar, Lombardy poplars and others.
