Bungalow Teams Take Three Games

Bungalow church fives won three games of basketball from Mundelein quintets and St. Peters girl's team of Glenview last Thursday night at the school gym.

The onlookers were treated to an evening of excitement and thrills (also home-made candy) from start to finish of the three games.

The girls team created the greatest excitement because of the closeness of the score at all times finishing the half period four to five in favor of Bungalow, fighting to a tie 7-7 in the last half making an overtime period of five minutes necessary, and then finishing with a score of 10-9 in favor of Bungalow. This is the third straight win for the girls.

In the first game with Mundelein a mixed quintet of high school age boys composed of Huhn, Orsborn, Stem, Merner, and Stanger romped away with an early lead which was not overcome throughout the game. The boys worked together very cleverly and the thrill of the game was a long shot made by Stanger from well behind the center of the floor. The score ended 14-4 in favor of the Bungalow boys.

The heavies gave a good account of themselves starting right out with a basket by J. Cashmore and fighting to a lead of 14-2 at the end of the first quarter. Bungalow won easily 40-22.

Good team work and fast plays kept the Bungalow boys ahead throughout the game, but time after time the Mundelein boys became a threat by the playing of the Baker brothers.

This win again gives the Bungalow heavies a percentage of 500 with six games won, and six lost, and they should finish well above this mark if their improvement keeps up.

Thursday, Feb. 12, Fould's two teams of Libertyville will be the opponents. These should be interesting games as both are strong teams, the boys being in second place in the Libertyville league.

Don't forget we play the St. Paul's team Feb. 19.
