## **SPECIAL PRICE REDUCTIONS** *now in force!*

Every gas appliance offered in our February Green Tag Sale is guaranteed to give in full measure all of the service you expect from it. The only difference in Green Tag appliances is in prices... and these are *lower* than usual. So much lower, in fact, that you'll be amazed at the **SAVINGS** you can make by selecting the gas appliance you need during this special Green Tag Sale. Don't wait and buy later... **BUY NOW** and keep the money you ordinarily would spend. The February Green Tag gas appliance sale shows you the real road to thrift.

Visit our display room and see all of the gas appliances included in this February offer. You can depend on it that each one is supremely efficient... the *best buy* within your reach at any time. If it is impossible for you to come in, telephone and without any obligation to you we'll send a representative to give you all details. Come in or call **NOW!**

### **\$10 allowance on your old water heating equipment**

You will receive this liberal allowance **NOW** if you have us remove your old water heater or furnace coil and install a modern **AUTOMATIC STORAGE GAS WATER HEATER** for instant, troublefree hot water service in your home. Come in or call.
