Punchinello Puppets to Be Presented at H. S. for Benefit Dramatic Dept.

The Punchinello Puppets, presented by Mr. Jean Gras, for the benefit of the dramatic department of the Deerfield-Shields high school, in the school auditorium Wednesday, March 4 at 3:45 p.m., will be an entertainment that appeals to both adults and children.

Mr. Gras is making an international tour, and is said to rank with Tony Sarg in his productions.

Mr. John Ralph Geddis, America's foremost guignol artist features these marionettes.

The curtain raiser is a Punch and Judy show, and the feature is the Punchinello puppets in Cinderella. There will be no reserved seats.

Annexation Project Is Under Way in Highwood

The annexation of Highwood to Highland Park may be the result of petitions now being circulated among voters in Highwood asking that the matter be put to the vote at the April 21 election. It is expected that the petitions will be presented to the council March 6.

There are only two weeks left to secure the requisite number of signers and complete arrangements since the petition must be published 40 days before the election takes place.

Desire for more adequate fire and police protection, as well as to avoid the cost of a separate city government, are said to be the principal reasons behind the move. A vote on the proposition would also be necessary in Highland Park.

Dr. Samuel S. Cohon to Speak Sunday
