

### D. A. R. Better Films Committee Reviews

One of the greatest draw-backs to intelligent selection for children's entertainment is the practice now in vogue of using misleading, utterly inane and inconsistent titles for pictures. Possibly there are localities where these sensational mis-nomers may prove a lure, but this community and this column are concerned with truthful representation, and we shall to the best of our ability, give this information.

As an example—a most beautiful and exquisite picture, historically interesting, and with exceptionally fine music "A Lady's Morals," recently shown to a pitifully small audience. It is unfortunate that two excellent pictures for children to be shown this week Saturday and next, should be labeled "Part Time Wife" and "Other Men's Women."

Of the latter we shall speak next week, but parents do not be afraid to send the children to the former and

attend yourself. Neither the title nor the pre-views tell you anything about that delightful little Irish lad, and his adored dog—a real "Sheper-Newfounder" about whom the story revolves. And golf enthusiasts will love it from that angle, and it is altogether a most acceptable picture for all.

"Check and Double Check" will be found a good clean comedy. Amusing and enjoyable for all. "The Princess and the Plumber" is another ably directed production, fine tone, artistic and may be recommended for all. Cast includes Charles Farrell, Maureen O'Sullivan, Joseph Cawthorn and H. B. Warner.

"The Right to Love" is a sordid problem play acted with much feeling by Ruth Chatterton, Paul Lukas and others. Not recommended for other than audiences.

Mr. and Mrs. Kent Wonnell left Saturday on a motor trip to Washington, D. C.

### Vesper Service Sunday at Bethany Church

The members of the Bethany Evangelical choir will present another of their attractive vesper services next Sunday afternoon at 4:30 p.m. This organization has been doing a very commendable piece of work during the past year. In addition to their regular Sunday work, they have presented a vesper service each month, which was supplemented by special cantatas at Thanksgiving, Christmas and at present they are in preparation for their Easter cantata which will be given in about one month.

The success of their fine work is due to the fine efforts of their director Mrs. D. L. Barrett, and of their organist Miss Charlotte Brand also due to the splendid cooperation of each individual member of the organization.

### Brandt Named Deputy Coroner by Dr. Taylor

Norman Brandt has been appointed deputy coroner to assist Dr. John L. Taylor in all coroner's cases in the southwestern part of Lake county. Reports should be made either to Mr. Brandt or direct to Dr. Taylor at Libertyville.
