

Lake Zurich Defeats Deerfield Basketeers N. S. Suburban League

Lake Zurich went into fifth place in the Northwestern Suburban basketball league last week, when they trimmed the Deerfield team 50 to 35, marking the biggest scoring game of the year. Scoring honors for Lake Zurich were about evenly divided, L. Frank and A. Frank had 11; Mayer, 10; Rudzinski 9, and Lohman, 8. Siegfert, Deerfield, kept himself with the five leaders by leading Deerfield with 9 markers.

This week's games see Niles Center favored over Arlington, despite the fact that Arlington scored an earlier win over this team; Des Plaines should beat Lake Zurich again and Morton gets the call over Deerfield. Northbrook should have little difficulty with the neighboring Glenview team.

Deerfield High Loses Two Games to Morton

Deerfield-Shields basketeers dropped both ends of a double-header to Morton last night at Highland Park. The Lake county heavies were walloped to the tune of 26 to 13, while the Morton Ponies were victorious, 13-12.

Deerfield's major crew didn't have a chance at any stage of the game,

the superior playing of Morton puzzling them from start to finish.

In the lightweight tussle, Bauer of Morton sank the winning basket with only a few seconds left of play and after the tip-off, the winners stalled out the remainder of the game.

One thing we'll always be curious about is what women would have done with bald heads if they instead of the men had been the ones afflicted with 'em.—Cincinnati Enquirer.

Tiffany Says He's Not Active in Politics

The organization built up for Lester Tiffany to secure his election as Lake county sheriff was dissolved after the fall elections and he is not active in county or local politics, he said Monday night in a statement to The Herald and Examiner, according to Tuesday's issue of that newspaper.

Claims of various individuals and factions to support of Sheriff Tiffany are unfounded, he asserted.
