LEGION COUNCIL TO MEET IN H. P. MAR. 20

Past Dept. Commander Hayes to
Be Speaker; Lake Forest
Degree Team Here

It is expected that one of the largest and most enthusiastic meetings of the Lake County Council of the American Legion will take place Friday evening, March 20, at Elks' hall, Highland Park, when Ed Hayes, past department commander, talks on "Rehabilitation."

So pronounced are his results in this work that Hayes has attracted nationwide attention. So sincere and realistic is he that he carries his audiences by storm. He is regarded as one of the most persuasive orators on the public platform today.

The state department has appropriated \$14,000 more than its 1930 receipts to carry on its magnificent plan of aiding ex-service men. In order that the plan may benefit veterans to the full Lake county posts must go over the top in the present drive ending with this meeting. District Commander Kapschull plans to have Ed Hayes go home happy with the thought that Lake county has backed his program by going over the top in membership.

Plan Good Program

Commander Art Montgomery of the Highland Park post, and his loyal workers, headed by John O'Brien and Winnie Zimmer, have doped out a splendid program for March 20.

The Lake Forest degree team will appear in shining raiment to put on the impressive Legion initiation.

District Commander Kapschull has been assured that McHenry, Kane and Lake counties will have a large number of representatives present. The business session will be short and snappy. All in all, it promises to be the biggest night in Lake county Legion history.

ED HAYES

Past Department Commander of the American Legion who will be principal speaker at the Lake County Council meeting March 20 in Highland Park.

Purchase of 1,000 mountain ash trees was completed last week by the Izaak Walton league to be planted in school yards throughout Waukegan and Lake county.
