Cleanliness

Frederick the Great rarely washed even his face and persons who bathed were considered eccentric even up to the last century. How fortunate we are to live in an age of cleanliness, typified by your physician's practice and advice.

Ravinia Club Exhibit

A French service garden, featuring vegetables, fruit trees trained on espaliers or trellises against a white brick wall, and a dipping fountain in a corner, will be built by the Ravinia Garden club. It will illustrate how the service area of the home grounds can be utilized to produce herbs and salads for the table, as well as fruit. The decorative possibilities of vegetables are interesting many garden designers. Mrs. Howard L. Willett's Sky Garden club whose members have begun the work of transforming the roofs of downtown Chicago into an area of gardens, will exhibit a roof garden of Spanish type, with cactus and other desert plants.

The Garden Club of Park Ridge has placed its garden in the hands of its men members, who form half the membership. Charles Mabach is in charge. Shrubs for the garden are now being forced in Park Ridge greenhouses, and flowering plants will be sent from Oregon by airmail to be planted in the borders.

In the classes for decorations, for tables, living rooms and sunparlors many treasured accessories from the homes of garden club members will be exhibited.

Shattering previous independent vote records, Zion independents last week nominated Rev. Alexander Fort Wilson, candidate for mayor, and four candidates for commissioner, E. E. Snyder, Richard D. Stuck, A. A. Walker and E. F. Will to oppose the Voliva candidates, Mayor Ernest E. Harwood, W. J. Bull, Hans Dronen, William Charles Dunn, and, Earl B. Paxton.
