

HIGHLAND PARK FISHERMEN HAVE THE EVIDENCE

Accompanying this picture a letter from E. E. Farmer of Highways Construction Co. says, in part: Enclosed you will find some pictures taken last Saturday, Feb. 21, near Miami, Fla. Made up a party including Harry Maroney, William Kelly, Earl Erickson and myself (E. E. Farmer), all of Highland Park, and Leslie Goudy of Chicago and a Mr. Touchfarber of Cincinnati, for deep-sea fishing. Our catch consisted of first a 400 lb. loggerhead turtle, then a nine-foot sand shark weighing approximately 400 lbs., then a 14-foot hammerhead shark, weighing approximately 1100 lbs., also 13 kind-fish. Believe me, this was some sport, and we enjoyed the trip all day long, with plenty of excitement rolling over the high waves and swinging on to those three monsters. This is the largest shark that has ever been brought in down here. It was caught on the boat "Snook" with Capt. "Bill" Peters, a native of Miami, as guide.

Artillery Garages at Fort Near Completion

The new garages of the 61st Coast Artillery, anti-aircraft, stationed at the Fort, are nearing completion after several months of effort on the part of the officers and men of that organization. These garages are the large new buildings which may be seen upon entering the post from the south on Route 42.

The 61st Coast Artillery, anti-aircraft, with their many large motorized guns and searchlight units, came to Fort Sheridan last fall from their former station at Fortress Monroe, Va. The transfer was ordered by the War department, when it became necessary to have an anti-aircraft training unit at an inland station.

Motor park and garage space being inadequate for so many motorized units at Fort Sheridan, the construction of these additional facilities was begun at once and was progressed under high pressure until completion.

Police Look for Fake Scout Fund Canvasser

Lake county police and sheriff's deputies were asked last week to aid in the apprehension of a fake Boy Scout fund solicitor, who has been seen frequently in Highland Park and the southern part of the county.

The man is about 25 years old, is tall, and was rather well dressed.
