

**Contract Bridge Lessons,
Auspices Rector's Guild**

At this time when practically everyone who plays bridge is deeply interested in "contract," realizing that in a short time "contract" will have replaced "auction" as completely as "auction" replaced "five hundred," it is a real opportunity to be able to secure a course of four lessons at a reasonable price, under an expert such as Mrs. Helen Hyde Carter.

Mrs. Carter needs no introduction to bridge enthusiasts along the North Shore. Her comprehensive knowledge of her subject combined with the happy faculty of being able to impart this knowledge in a clear and enthusiastic manner, has made her a widely known and popular instructor. In addition to her previous studies Mrs. Carter has just recently completed a course under Albertson, which licenses her to instruct teachers as well as professionals.

Mrs. Ralph Neumann is chairman of this course, assisted by Mrs. Seth Wooder of Deerfield, Mrs. George Rosetter, Mrs. Charles Jordan, and Mrs. Herman Watkins.

For further detailed information or for tickets we should be pleased to have you telephone any member of this committee or any member of the Rector's Guild.

Mrs. Carter assures us that she is planning this course so that it will be equally beneficial for those who have had previous instruction and those who are being initiated into the mysteries of contract.

**Benefit Program
For Unemployed**

There is still a demand for assistance from the Relief organization and the work cannot be carried on without funds. Deerfield is again asked to co-operate in this worthy project.

Mrs. Patrick Campbell

Mrs. Patrick Campbell's lecture-recital, "Beautiful Speech and the Art of Acting," to be given next Friday, March 27, at 8:30 o'clock, Skokie school, Winnetka, promises to be one of the most interesting and brilliant affairs of the North Shore season. Residents from Lake Forest to Evanston are taking tickets and many hostesses are giving dinner parties and taking their guests to the lecture. Mr. and Mrs. Stuart Bailey are giving a large reception after the lecture in honor of Mrs. Campbell.

Mrs. Campbell has made several tours of America in the last twenty-five years and has a large following of friends and admirers in this country, all of whom appear to be anxious to see and hear her in the guise of lecturer. Mrs. Campbell is generally accredited with having one of the most magnificent voices in the world.
