

Contract Bridge Course Opens April 6

The course in contract bridge that is to be conducted by Mrs. Helen H. Carter, under the auspices of the Rector's Guild of Trinity church, will be held every Monday afternoon at 2:30 o'clock in Trinity church guild hall, Laurel avenue, beginning Monday, April 6, and continuing each Monday for four consecutive weeks.

Reservations are still available, and tickets or any desired information may be obtained from any member of the following committee or from any member of the Rector's Guild: Mrs. Ralph Neumann, chairman, H. P. 44; Mrs. Seth Gooder, Deerfield 261; Mrs. Charles L. Jordan, H. P. 2442; Mrs. George Rossetter, H. P. 1313; Mrs. Herman Watkins, H. P. 1892.

Mrs. Carter is too well known in north shore bridge clubs to need any introduction at this time. In addition to her extensive studies and wide experience as an instructor, she has recently completed a course under Col. Bertson, licensing her to instruct

teachers as well as non-professionals. Many of those taking tickets have asked to make up their own tables. This may be done if preferred.

The guild is undertaking this project for the purpose of obtaining funds to carry on its philanthropic program. At this time, when every organization is anxious to do more than its usual share in this field, we believe that we see in this an opportunity to offer "full value received" while at the same time obtaining the means to carry on our work.—Contributed.

Informal Dancing Party Is Planned

Plans are being made for an informal dancing party to be given by the Ravinia Woman's club, Saturday evening, April 11, at the Village House. Good music and a tempting supper will be provided. This will be the last dance of the season given by the club. Further details of this party will be announced later.

Awarded Gold Medal for Rare Plants

Robert MacLaren, formerly a resident of Ravinia and at present superintendent of the James Norris estate on Deerpath avenue, Lake Forest, was awarded a gold medal for a group of rare greenhouse plants at the Flower show at the Merchandise Mart in Chicago. Easter lilies formed the background with Azalia, cyclamen and other beautiful plants intermingled.

Sewing Club to Hold Dance Saturday Night

Next Saturday night, the Junior Sewing Circle will hold its weekly Saturday night dance at the Masonic Temple, Highland Park. The club has engaged the well known Groppis Revelers to provide the music and entertainment. The public is invited to attend.

NO ADVANCE IN OUR DRY CLEANING PRICES

It has always been our conscientious endeavor to give the public the finest there is in Dry Cleaning. We have never charged a greater price than that which would en-

able us to employ only skilled workmen so that we might give at all times the highest quality in dry cleaning...and neither prices nor quality has ever been juggled.

"It costs no more to send your work to a reputable Dry Cleaner"

SPRING COATS

"Refreshing" some one said of the new Spring coats. Meaning, no doubt, the abundance of new detail...the charm of the new weaves...the gentle swing of line...the wonderful blending of furs with the tones of the coats.
