### Smartly

### Dressed Women Choose Hats That Give More Youthful Lines

Women who are honest about their ages—at least to themselves are the smartest looking. In selecting a hat they study their faces. They say to themselves—"you have a line here and you must get a hat that will soften it." At Lord's they will find hats that will bring out their best features.

Upwards  
from \$10

In the Millinery Section  
Lord's—Second Floor—Davis St.
