## SALVATION ARMY.

### DRIVE OPENED APR. 1

#### Appeal for Funds for Carrying on Work in County During the Ensuing Year

The Lake County — non-corps towns and cities — Salvation Army Home Service appeal for annual maintenance started April 1st. Local appeal boards, of a more permanent nature than the usual campaign committees, will conduct the appeals. This plan is the earnest request of the Salvation Army and urged by the United States Chamber of Commerce in recognition of their service in the World war.

Appeal boards have been formed of prominent citizens in Lake Forest, Highland Park, Deerfield, Lake Bluff and Highwood will be the next, according to Mrs. Mary T. Wishman, the appeal director of the Salvation Army Home Service under whose system the local boards are operating.

Mrs. Wishman puts on an educational program in preparation for the appeal, by speaking briefly at many organization meetings, informing those interested and interesting those un-informed.

#### Safeguards Public

This method safeguards the public and the Salvation Army against many fraudulently soliciting funds with a tambourine and garbed in similar uniform to that worn by the Salvation Army — often claiming to be the Salvation Army or a branch of it; — there are no "branches" of Salvation Army. This is a strong reason why local boards should make the solicitation yearly and should receive generous support from all citizens, that a worthy budget may safely reach the Salvation Army through a local treasurer of the board.

#### Money Used in County

It is shown that numerous people in times of misfortune and shame are cared for without cost from this community by the Salvation Army. Quietly and effectively this marvelous (Continued on page 48)

## First April Program

### Of Woman's Club To Be on April 7th; Speaker

The first April program of the Highland Park Woman's club, Tuesday, April 7, at 2:30 p. m., promises to be especially interesting. Miss Julie R. Adams of Chicago will give a bird's-eye view of the situation in eastern and western Europe under the title of "Some Aspects of the European Situation."

Miss Adams, whose education and early experience as a teacher of history, and whose numerous trips to Europe to study the existing conditions in each country, give her the right to speak authoritatively on the subjects with which she deals, has for many years been a popular lecturer in and about Chicago.

Last summer, Miss Adams traveled in Europe with a specially selected group of writers and lecturers, visiting England, France, Germany and Russia, and coming into direct contact with the political leaders of these countries.

With her charm of manner, her clarity of speech, and simplicity of diction, with her ability to present historical facts in an interesting form, Miss Adams' talk will surely prove both delightful and instructive.

One of the outstanding activities of the Highland Park Woman's club is the work in philanthropy. During the past season, local organizations, Lake county and Cook county charities have been recipients of contributions. Besides the regular amount always budgeted from the club's income for charities, several special projects were Dorcas Home, Lake County Humane society, Travelers' Aid society, Arden Shore, Infant Welfare society, Lake County Crippled Children's Clinic, Ridge Farm Preventorium, Y. W. C. A. of Highland Park, co-operation with War Veterans' committee and Highland Park Social service.

## "Scouts Own" To Be

### Observed April 12

The Highland Park Girl Scouts have set aside Sunday afternoon, Apr. 12, as a fitting time for a Scouts' Own program. It will be held in the Presbyterian church at four o'clock. All troops in Highland Park and Troop No. 1 of Highwood will participate. The general public is most cordially invited.

Scouts' Own is a getting together on a Sunday designed to leave an impression of the serious and ideal side of Girl Scouting, but is in no sense a religious service.

We are most fortunate in having secured Miss Marian Hodgins, director of Camp Hill, near Edgerton, Wis., to speak for us on Girl Scouting. We also count ourselves most fortunate in having Mrs. Herbert Smith as soloist.

There will of course be numbers given by the Scouts. We hope there will be a large attendance.

## ORGANIZE CITY CLUB, PURPOSE OUTLINED

### Group of Public Spirited Citizens Form Body; Aim Is Civic Welfare

Having the welfare of this community at heart, a meeting of a large group of public spirited citizens of Highland Park was recently held to complete the permanent organization of the City Club of Highland Park. The club has been incorporated under the laws of the state of Illinois as a corporation organized not for profit, with its purpose, as stated in its charter, being, "to promote, encourage and assist in, the administration of public affairs in an economical and efficient manner."

The by-laws of the club, adopted at that meeting, further detail the club's objects as follows:

- 1.—The study and improvement of municipal conditions and public affairs in the City of Highland Park.
- 2.—To formulate and promote constructive plans for the future.
- 3.—To provide an impartial body, to which the public may turn for guidance with absolute confidence in the sincerity of its motives.
- 4.—To provide a means of informing the citizens of Highland Park of civic conditions therein.
- 5.—To provide a body which will take a stand and raise an authoritative voice on public questions and communicate directly with public officials through its duly authorized officers or committee.

## Fire Department Is

### Called Twice Mar. 27

The Highland Park fire department responded to two alarms on Friday, March 27. The first alarm brought firemen to the home of F. H. Smith, 808 So. St. Johns street, Highland Park, where spontaneous combustion had started a blaze. The fire, which caused little loss, was confined to a small portion of the house. In the late afternoon another alarm called the firemen to the home of E. A. Parkes, 360 Walker avenue, where an overheated chimney had threatened trouble.

Tuesday morning the Fred Moon residence on Homewood avenue, was damaged by fire. It is thought that a bottle of benzine exploded, causing the fire. The kitchen was badly damaged by fire while the remainder of the down stairs was damaged by smoke. Insurance will cover the loss.
