

SALVATION ARMY DRIVE OPENED APR. 1

(Continued from page 3)

work of reconstruction goes on constantly at an exceptionally low average overhead of about 2 per cent. It is made clear that money contributed in Lake county will be used for Lake county work of the Salvation Army Home Service.

The Home Service work of the Salvation Army does not include the corps; those are supported by the cities where the corps are established. It is the Rescue Home and Maternity Hospital, (9 cases from Lake county, several each year); the Training college, a free three years training for officership (2 cadets from Lake county last year); the Prison and Hospitalization work (several each year from Lake county); the free summer camp for poor children and tired mothers (families from Lake county every year); the missing friends and anti-suicide bureau work, reaching into every place, finding and rescuing missing people for poor families (over 4900 persons found in the United States last year); the Emergency Lodges, used by the courts and Travelers Aid for women and children, needing temporary shelter; Children's Settlement work, upbuilding for good citizenship the "gangs of the street corners," similar to Scout work, but in the lowest strata of society, ("God and America," the motto); and the partial support of the Boarding Home for Young Women, (room and board at \$6.00 per week with Christian influence and practical supervision and protection for the woman earning a small wage and the Industrial Home System for men incapacitated for earning a living outside (they live in these homes and remake old furniture, clothing and bale newspapers donated—making things fit to sell or give away for further use, receiving a wee bit of remuneration that they may keep their independence—these are some of the 16 major activities of the Salvation Army Home service which it is our business to maintain by contributing funds through the appeal boards of local people, at this time. An opportunity to subscribe will be afforded everyone.

A Women's division, sponsoring a definite effort for the Rescue Home and Children's work will co-operate with and become a part of the appeal boards.

Deerfield Board

The Deerfield Salvation Army Appeal board is: President, Edwin B. Jordan; vice-president, Wesley K. Hout; treasurer, Ira Gardner; appeal manager, Marshall E. Pottenger; school captain, Carl E. Bates; commercial and organization captains, Harold R. Vant, Wm. J. Desmond, Ambrose Montavon, Harold E. Fisher, Frank Russo, Harry Olendorf.

Women representing most of the organizations in town will form a women's division to participate in a special effort for the women and children's work of the Army. A meeting will be held Friday at 10 o'clock, April 3rd, in Vant & Selig's rear office with Mrs. Wishman, to complete plans for elective service in the Deerfield appeal.

Members of boards in Highland Park and Lake Forest were published last week.

LIST COMMITTEES FOR GARDEN FAIR

(Continued from page 4)

Garden Furniture: Mrs. H. H. Bede, chairman; Mrs. M. Armstrong, Mrs. H. Holmgren, Mrs. H. Will.

Home Products: Mrs. B. J. Buckingham, chairman; Mrs. E. Christenson, Mrs. E. W. Feddersen, Mrs. E. L. Easton, Mrs. G. W. Whitcomb, Mrs. R. Date, Mrs. L. W. Frank, Mrs. F. L. Gault, Mrs. M. G. Grahame, Mrs. F. J. Kaumanns, Mrs. E. E. Leonard, Mrs. W. J. Roetter, Mrs. W. Ruger, Mrs. P. D. Stokes, Mrs. R. Watten, Mrs. H. Black, Mrs. A. F. Durand, Mrs. V. Fabian, Mrs. R. McKnight.

Competitions: Mrs. J. C. Ewell, chairman; Mrs. H. Black, Mrs. W. R. Marvin.

Pony Rides: Mrs. L. W. Frank, chairman; Ravinia Fire Department, assisting.

Men's Committee: Mr. H. H. Bentley chairman; Mr. J. S. Van Bergen, Mr. F. W. Degenhardt, Mr. R. McKnight, Mr. Tom Wilder, Mr. E. H. Klaber.

Garden Books: Mrs. A. I. Wolff, chairman.

Garden Tools: Mrs. R. McKnight, chairman; Mrs. P. D. Stokes.

Men Are Aiding

A word about a few of these committees: the club is much gratified that Mr. Bentley has consented to head the men's committee, whose strong right arms and melodious voices will be called into action on the "great day." The Fire Department in Ravinia has agreed that all the men not on duty will take charge of the ponies, and see that the children are lead safely around the race course, so bring plenty of dimes, kids, a dime a ride. We still cannot divulge the other plans of the children's committee, but they promise great fun for old and young.

Home-made Soap

Mrs. Hardacre, senior, is undertaking one of the most interesting items that will be for sale at the fair. She has promised to make home-made soap with a good old-fashioned recipe, and needs contributions of bacon fat for that purpose. Mrs. Hardacre's committee is securing many lovely hand-made articles that will appeal to the good taste of our housewives; while the committee under Mrs. Thorsch and Mrs. Danielson will not only display lovely articles of china, glassware and pottery, but have exhibition tables showing their most attractive use and combination.

Mrs. Buckingham's large committee is hard at work, and the attractive results of their efforts will be a surprise and delight to all.

Flower Arrangement

Mrs. Ewell is getting in touch with all the garden clubs along the north shore, and flower arrangements will be shown in friendly competition between all the garden clubs and many individuals. There will be an open class for everyone who wishes to send in her favorite flower arrangement in her favorite container, whether she is a member of a garden club or not.

Mr. Rybolt has assure the club of the hearty co-operation of the Boy Scouts and they will be called upon for active duty on the 9th of May.

Nurseries Co-operating

Among the nurseries who will co-operate are Charles Fiore and F. D. Clayey. They will send shrubs, evergreens and flowering plants, while Mrs. Bacik in Ravinia will bring over her perennials, annuals, and rock garden plants.

Both Ravinia and Highland Park hardware stores will furnish an unusual line of garden tools, sand toys, wheel barrows and the like.

And last but not least, the tea room management promise something good for lunch and afternoon tea for the tired and thirsty.

Day and Night Air Mail Service, Coast to Coast, Was Started April 1

The nation's first "day and night" air mail-passenger service between the Atlantic and Pacific seaboard is made effective April 1 according to Postmaster Hugo L. Schneider, in a statement today. "This route from New York to Chicago to San Francisco marks the culmination of over twelve years of planning and an expenditure of more than \$1,000,000 for lighting equipment and landing fields by the Post Office department, the Department of Commerce and Private Capital," said Mr. Schneider, "and augments the air mail service thru rail connections from Highland Park to the nearest terminal in such a way that citizens of our city can secure even greater advantages than in the past."

"The service established by National Air Transport in conjunction with Boeing Air Transport makes the

route the most important in the world and is 2760 miles long. Because of the new policy of the Post Office department, passengers are now carried with the mail and the entire route is equipped with two way radio communication to insure air travel at its best. Coincident with the new transcontinental, National Air Transport will establish a new passenger service to Kansas City, thus making a total of three mail and passenger services east and two to the southwest from Chicago in addition to the night air mail operated by N. A. T.," said the postmaster.

Italo-American Club To Hear Town Candidates Apr. 17; Spring Concert

The Italian-American Political club of Deerfield township is sponsoring a meeting at Santi's hall, Highwood, on Thursday, April 2, at 8 o'clock.

Opportunity will be given all candidates for township office to express their views and opinions.
