

**James Cady Ewell of  
H. P. Narrowly Missed  
Being on Rockne Plane**

When James Cady Ewell of Highland Park, well known artist, changed his plans to accompany Knute Rockne on his ill-fated airplane trip, there was little thought that in so doing he was preserving his life.

At the last minute his plans were changed and it was decided that Mr. Ewell was to take a later plane, arriving in California Saturday, where he was to make arrangements for the grand opening of the new Wilson-Western plants in San Diego, San Francisco and Los Angeles.

He was later to be joined by Rockne in California. The two men had been friends for many years. Rockne's plane crashed at Bazaar, Kansas, near Emporia, causing the instant death of its six passengers and two pilots. Friends who had believed that Ewell had left on the same plane were anxious for his fate and temporarily puzzled when his name did not appear among the dead.

**ROBERT GREENSLADE  
For Commissioner  
ELECTION, APRIL 21st, 1931**

Fellow Citizen:

We desire to call your attention to Mr. Robert Greenslade, who was born in Highland Park, November 19th, 1889, at 134 South Second Street, and has resided in this same block for the past 41 years.

His many friends have petitioned him to run for Commissioner in the election to be held April 21st, of this year.

We do not feel it necessary to tell you of his many virtues, his ideals and his qualifications for this office, but you as good citizens can ascertain these facts in your own way and an investigation on your part will satisfy you that Mr. Greenslade will make a Commissioner that you and the community will be well proud of. In 1914 Mr. Greenslade entered into the business of electrical contractor and continued in that business until he volunteered his services during the World War, where he remained until he was honorably discharged from service in April, 1919, and again entered the electrical contracting business.

We might state that Mr. Greenslade is the only candidate for the election of Commissioner that is a native born son of Highland Park and a graduate of our public schools.

By all means vote, and we trust that you will be able to vote for Robert Greenslade as a Commissioner for the City of Highland Park and that you may speak well of him and possibly influence some of your friends to vote for him on that date.

Very truly yours,

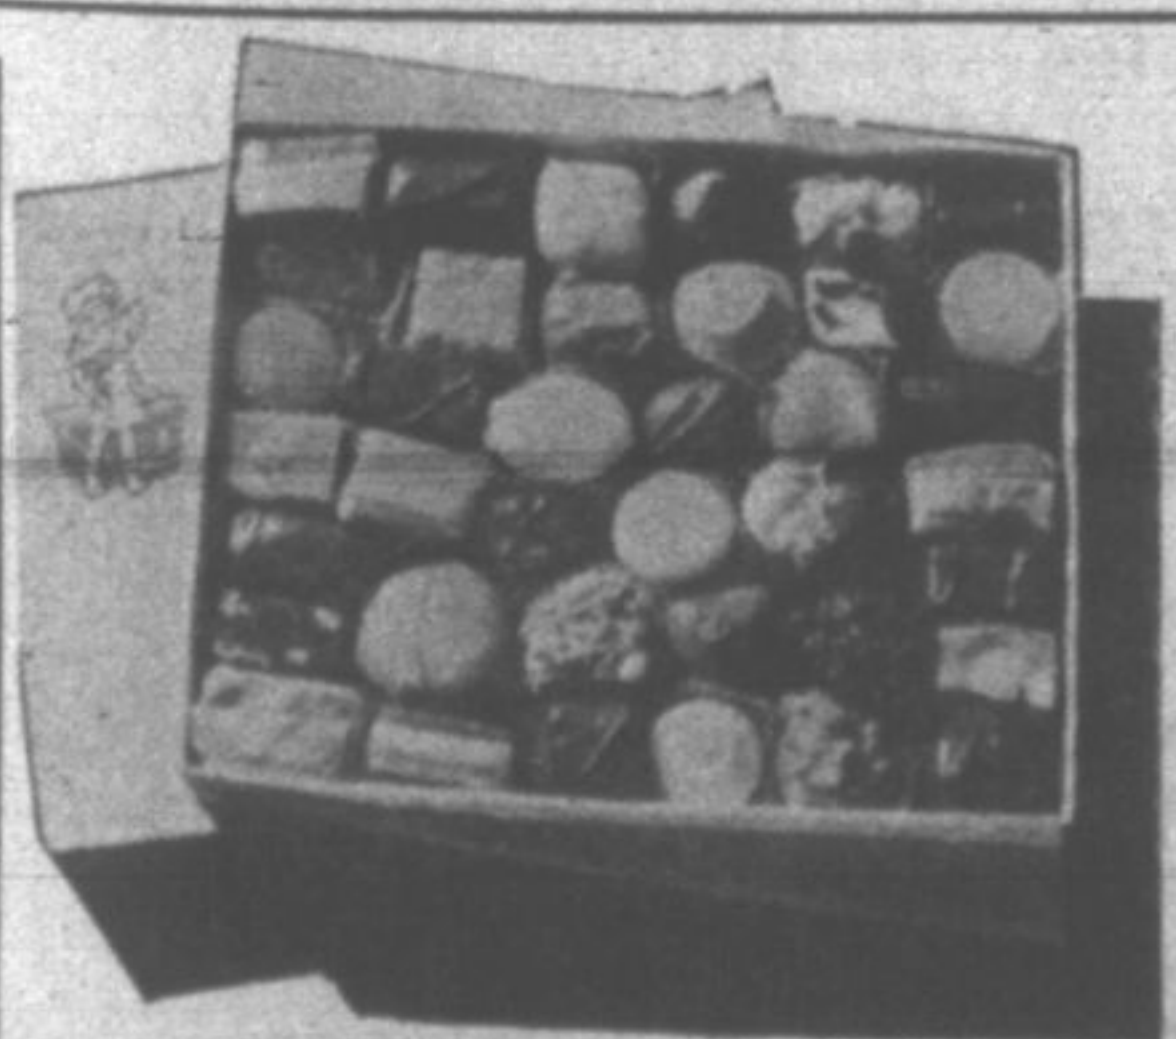

Committee.

**Prospective  
Home Builder**

A national building institution is planning to build a model home in Highland Park or vicinity. A substantial saving in price with the extra values of a model home is to be awarded to some person who is now contemplating building a home. To qualify, you must be ready to start building immediately. If you can do this, give the location, size and shape of your lot, estimated value of the home and any special requirements desired. If you have plans, send a copy; if not, we can arrange for them. Financing can be arranged if desired.
