

# WHILE CLEANING HOUSE

*include your old cook stove!*

**\$10<sup>00</sup>** allowance

*on your present  
cooking appliance*

You wouldn't think of cleaning your home without including your kitchen . . . so while cleaning your kitchen, include your old cook stove. It's a logical step to do away with a cooking appliance that has seen its best days. NOW . . . you will receive a \$10.00 allowance on it if you buy a new oven heat controlled gas range . . . a **SAVING** of \$10.00 to you. Besides the saving in money, you'll have *daily savings* in time and labor for years to come.

It is a GOOD Gas Range That Has This RED WHEEL

surpassed for beauty and utility. While charm has been added to the new vogue in gas ranges, all of the cooking and baking qualities have been retained . . . and improved upon.

## The Doric is an Unusual Value

The Doric Model, latest member of the famed Magic Chef family, is illustrated here. This oven heat controlled gas range is a remarkable value at its regular price . . . and an outstanding value during this April offer.

## Beauty Combined with Usefulness

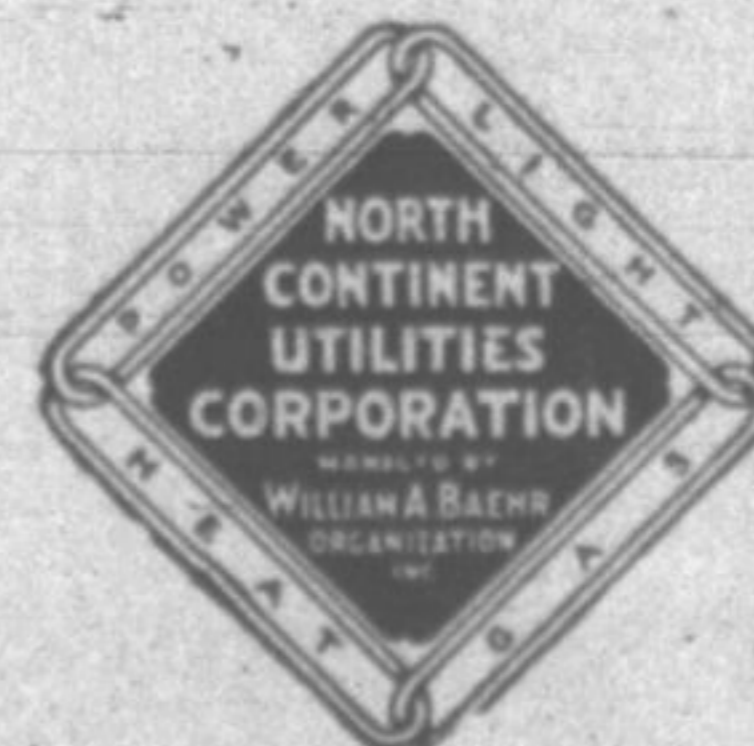

Handsome, striking style distinguishes modern gas ranges, along with increased efficiency of operation. This combination of design and performance brings your kitchen a cooking appliance un-

## Small Down Payment

*12 Months to  
pay balance*

Included in the April Gas Range Sale are the large Magic Chefs, Tiffin Model Magic Chefs, Clark-Jewels, and other gas ranges. Visit our display room and see them, or telephone and ask to have our representative call. Either way you'll incur no obligation.
