

SOUND PICTURES

See and hear about Engineering, Precision, Fine Craftsmanship and the Quality Materials which make the FORD CAR beyond comparison in the small car field.

See and hear why you get more for your dollar when you buy a FORD.

FRIDAY
APRIL 17th
8 P. M.

ADMISSION
FREE

Whether you are a FORD OWNER or NOT, this opportunity will be educational. The FORD MOTOR COMPANY has gone to a tremendous expense to familiarize the public with the unseen quality and value of the New FORD.
