

A HOUSECLEANING HINT:

Replace Your Old Cook Stove with a Handsome, Modern Gas Range

\$10⁰⁰ allowance on your old cooking appliance

It is a GOOD Gas Range That Has This RED WHEEL

\$74.75

ALL the scrubbing and cleaning in the world will not change the appearance of your old cooking appliance or give it the power to free you from cooking drudgery. So while you're cleaning house and setting things in order for the summer, have an oven heat controlled gas range (insulated or uninsu-

SAVE . . . during April!

lated) installed in your kitchen. During April you will receive a \$10.00 allowance on your old cook stove . . . which means that *you pay \$10.00 less* for your new gas range NOW!

A modern gas range will bring your kitchen new beauty and charm, for the new vogue in gas ranges is as decorative as it is useful . . . and it will make it possible for you to cook without staying in the kitchen to watch over foods in the oven. You'll have more leisure . . . and, because the oven heat is measured, foods always will cook uniformly good.

This April offer gives you an opportunity to **SAVE \$10.00** on a new gas range. Come

in NOW and make your selection from the famous Magic Chef family which includes the widely acclaimed large Magic Chef and the Tiffin and Doric Model Magic Chefs. Other gas ranges also are offered. If you can't visit our store, just telephone and ask to have our representative call.

SMALL DOWN PAYMENT

Make a first payment of only a few dollars and any gas range you select will be installed in your kitchen. Then pay the balance of its cost in 12 equal monthly installments with your gas bills.
