

H. P. CHURCH MARKS 40TH ANNIVERSARY

Redeemer Lutheran to Have Special Service Sunday; Brief History

On January 1, 1891, the Redeemer Evangelical Lutheran church was organized and incorporated in due form, and on April 26 of the same year the present church building was dedicated. This double event will be commemorated on the coming Sunday as the 40th Anniversary.

This congregation is a branch of the Glencoe Lutheran church, which was formerly situated on Green Bay road and the County Line. The history of that church dates back to 1849, making it one of the pioneer churches in the community.

For some time the Lutherans belonging to the Glencoe church desired a place of worship here in the city, and so their pastor, the Rev. J. Adams Detzer, Jr., began conducting services in May 1888, first at McDaniels hall, the present site of the Highland Park State bank, and later at Evans hall, at the corner of Central avenue and Second street.

In the course of time the pastor recommended to the little flock to ex-

Mayor Lewis Thanks Friends for Support; Urges Civic Harmony

To the Citizens of Highland Park:
May I take this opportunity to express my very deep gratitude to all those who supported me in the recent election, especially to the many who actively worked in my interests. The number is too large to thank individually, and in any such attempt I would be sure to miss some.

Our late President William H. Taft once said: "A number of our best Presidents have had only one term, and there is nothing disgraceful in not having two. I am trying to act as if there were not another term. I believe, too, that it is good politics. If I stand for anything it is for being straightforward and natural." I could not hope to express my feelings so well. I have tried to conduct my part in the affairs of the city during the past four years as if there was no such thing as a second term.

I believe most of the thinking people of the city appreciated the work done by the administration, and it is very easy to account for our defeat in looking over the daily press of April 22nd. The present administrations have been defeated in over three quarters of the cities and villages holding elections on April 21st. This, I believe, is due to the present economic conditions, nor are these defeats common to this location. The upheaval in which we find ourselves is world-wide. Governments all over the country are being "turned out" of office. A large majority of the people find themselves engulfed in a struggle, and they feel that a change of administration may aid them in some way.

I have absolutely no regrets at losing, as I feel I have given as much time as any individual should be called upon to give during a lifetime to civic affairs, and I do not feel that the people of the city owe me anything. As a matter of fact, I am deeply grateful to everyone for the opportunity that has been given me to serve. I cannot help but feel we are leaving the city in a better condition than we found it and have made improvements which will greatly benefit not only the present generation, but future ones. I have made many warm friends during this four years and I have had the very great satisfaction of having many of those who were against me four years ago come to my support during this election.

I trust that all those who have supported me will be as loyal to the new administration, and I am sure everyone is now ready to "bury the hatchet" and work for the good of Highland Park.

Very truly yours,
BENJAMIN F. LEWIS.
April 22, 1931.

Legion Eighth District Membership Expected to Break Record in County

Commander Charles C. Kapschull of the Eighth district, American Legion, which comprises Lake county, reports that in the present membership drive the district has exceeded its total of last year and is in a fair way to beat the record for the district, which stands at 2,023. On Tuesday of this week the total was 1,889, as compared with 1,878 for last year, and Commander Kapschull was confident that 2,200 members would be enrolled by the close of the membership drive at the time of the banquet for State Commander A. J. Poorman and State Adjutant Wm. C. Knight, to be held in North Chicago on May 20. This looks like a big achievement for the district under Commander Kapschull's leadership and he and his associates are to be congratulated.

NAME COMMITTEES FOR GARDEN FAIR

List of Those Co-operating In Event May 9, Station Park Ravinia, Details

Great interest is being expressed in the Garden Fair to be held Saturday, May 9, from 9 a. m. to 6 p. m., at the Station park in Ravinia.

This fair is for the purpose of raising funds for the Municipal Rose Garden which is to be situated just west of the tracks and north of Roger Williams avenue in the recently acquired park grounds.

The children's committee of the fair, Mrs. E. H. Gleason, chairman, has at last divulged their plans, and oh boy, what fun is promised! There is to be a parade headed by the high school band—and that band can play! Then will come a Rose Garden float, full of living flowers. The Girl Scouts and Boy Scouts follow, in uniform of course, and then all the rest of the grammar school children, from fifth grade up, in costumes, with decorated bicycles, velocipedes, doll buggies, and what have you. The line of march will be from Highland Park to Ravinia, which would be too far for the younger grades to walk, but any who can get a "hitch" are welcome to fall in line in cars.

The parade will end near the fire house in Ravinia, where the rest of the entertainment for the young people is concentrated. The pony committee, Mrs. L. W. Frank, chairman, will have ponies lined up ready for rides, at a dime a ride. Mrs. H. A. Roemer of Glencoe is loaning her pony, Mrs. E. T. R. Murfey of Highland Park, Mrs. Leo Sheridan of Ra-

Now that election is over the next big exciting event for the community will be the North Shore Open.

Do you know that the most prominent professional golfers of America played in the last North Shore Open at Sunset Valley Golf club? Here are a few of the names: Al Espinosa, winner; Jock Hutchinson, runner up; Walter Hagen, Horton Smith, Joe Kirkwood, Harry Cooper, Eddie Loose, Phil Perkins, British Amateur champion in 1928; total entry, 172.

If you missed this event in 1930, you will have the opportunity this year of seeing another large field of prominent professionals and amateurs.

The course is in excellent condition. The greens and turf on the fairways are in better condition than ever before. The improvements in the club house and the added shelters on the course add much to the character of this widely known and popular golf course.
