WEST RIDGE CLUB TO REPEAT "DULCY"

To Be Given in Lincoln School
Friday Night, May 1; With
The Same Cast

As a result of the favorable reception accorded its presentation of the three-act comedy "Dulcy," on March 28, 1931, the West Ridge Community club is preparing to repeat the performance on Friday evening, May 1, at 8:30 p. m.

The play will again be given in the auditorium of the Lincoln school, Green Bay road at Lincoln avenue. The cast will be the same as in the first performance, Mrs. Anne L. Griffith portraying the name part "Dulcy," Mrs. Hazle O'Connell Ringer that of Mrs. Forbes, and Mrs. Wally Hatcher that of Angela Forbes. The eight men comprising the remainder of the cast, and Miss Nancy Grace Wright, principal of the West Ridge school, who directs the play, are also members of the club.

Hope to Have Salerno

Those in charge of this performance are endeavoring to obtain again the services of Mr. Frank Salerno, popular radio and concert accordionist, whose engaging personality contributed a great deal to the success of the first performance, to entertain during intermissions.

"Dulcy" was presented professionally with great success several years ago, having long runs both in Chicago and New York. The title role was enacted by Lynn Fontanne, who is now playing the part of Elizabeth, in "Elizabeth the Queen," at the Illinois theatre in Chicago.

The West Ridge club, as a parent-teachers and civic organization, serves the community adjacent to the West Ridge school, on Ridge road. Its funds are used in providing school and playground equipment not otherwise available for the use of the children of the community.

Deerfield Library

The Deerfield public library circulated 29,854 books during the year, April 1, 1930, to April 1, 1931, according to the annual report compiled and submitted to the library board by Mrs. Chester A. Wolf, librarian.

The circulation for the previous year was 12,544. This year's report shows that the circulation has more than doubled in one year. The number of volumes of adult fiction circulated was 12,483 and non-fiction 2,678. The juvenile circulation followed closely with 11,844 volumes of stories and 2,125 volumes of non-fiction.

It is gratifying to know that the non-fiction section is well patronized. Over one-fifth of the books circulated were books of travel, biography, history and science. The encyclopedias are also extensively used by the patrons.

The library now owns 3,845 volumes; of these 2,014 are adult books and 1,471 are juvenile. Eight hundred and thirty-one volumes were added during the year.

One hundred and fifty-four borrowers registered during the year. There are now 835 active borrowers, all residents of the township.

Approximately 400 reference topics were looked up by the librarian.

The largest number of books circulated in one day was 354 on March 17. The number of books lost or destroyed is comparatively small. There are some losses, of course, but the greater number of borrowers take pride in the community library and are careful of the books loaned.

It is the aim of the library board to have the reference department well filled with practical and up-to-date information on all subjects. New books are being added each month.

The popularity of the current fiction speaks for itself. There are seven day books and cannot be renewed. A number of new books on school life, camping and athletics were purchased this week for the juvenile department and will be ready for circulation next week.

Deerfield Women Hear Mrs. Taylor

Mrs. G. H. Taylor of Glecoe spoke at the Deerfield Woman's club last Tuesday afternoon. Mrs. Taylor's talk was pertaining to her many active years in women's club work. She had a wealth of information for the Deerfield club and gave them an ideal — a height for the new little club to reach. She recited many of her own personal experiences and quoted poetry. Mrs. Taylor delighted her audience with a prize poem written by Mrs. George Orr of Glecoe which was awarded first place in a contest conducted by the tenth district.

Mrs. Taylor is seventy-two years young. Her mother was a charter member of the Evanston Woman's Club and she herself is a charter member of the Glecoe club, which is the third oldest in the United States. The next meeting of the Deerfield Woman's club will be held Tuesday afternoon, April 28, at the Deerfield school library.
