Photo By Hecketsweiler

Troop 45, Church of the Holy Spirit, is the oldest troop in Lake Forest, having been started in December, 1924. They have 36 scouts in the troop. The troop ranks high in the use of the Patrol system, scout advancement, camping, and scouting activities. The only two Eagle Scouts in Lake Forest, Ian McPherson and Bruce Kenyon (not in picture) are in this troop. Much of the credit for the troop's success should go to their Scoutmaster Mr. Merle Tibbetts. Above are pictured the following:

Back row (standing): Mr. W. Bleier, chairman of troop committee; Jim Tibbetts, Edward Prince, Charles ReQua, Edwin Bleier, Allan Hokenson, Ian McPherson, Jack Whalen, Lawrence Freeman, Edward Bax, Nick Munger, David Tibbetts and Marshall Strenger.

Medical Archives

In the Medical Archives we find that the son of Bimbisara once lost consciousness; to obtain a cure they placed him in six different tubs of butter and then in a tub of sandalwood. Such extreme measures are avoided by our apt medical men.

Northwestern Railroad Institutes Bargain Days

Two bargain days of travel, inaugurating a low-fare experiment unique in railroading, will be held April 24 and 25, when one-cent a mile tickets are sold good in coaches between all points on the Chicago & North Western railway system east of the Missouri river with a ten day return limit, and round trip first class tickets are sold at the one-way rate good in sleeping cars with the same return limit. C. A. Cairns, passenger traffic manager of the road, announces.

"This new rate should fill every seat and every berth on our trains that week-end since it is the biggest

general bargain in railroad fares that that ever been presented," Mr. Cairns said. "One hundred and fifty pounds of baggage will be checked free on both classes of tickets. Children's tickets will be sold at half the adult rate, one-half cent a mile and one-half one way fare for the round trip."

Although no formal announcement has been made by State's Attorney A. V. Smith, rumors have it that George McGaughey of the law firm of Runyard and Behanna, will become assistant state's attorney to fill the vacancy caused by the resignation of Sidney H. Block who joined the law firm of Edwards and Block.
